florencia e mallon examines the development of capitalism in peru s central highlands depicting its impact on peasant village economy and society she shows that the region s peasantry divided into an agrarian bourgeoisie and a rural proletariat during the period under discussion although the surviving peasant ideology village kinship networks and the communality inspired by economic insecurity have sometimes obscured this division originally published in 1983 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905

this book examines patterns of growth stagnation and crisis in the peruvian mining industry in twentieth century presenting an assessment of the nature of some internal constraints which prevents mining companies in peru from responding to price incentives and increased demand for their products
