what are the unique features of the governing structures and political systems
of the small states and former british colonies of the east caribbean are they
truly democratic do the decision makers manipulate their peoples and what
can we learn about the political modernization of developing countries through
an in depth study of the governing of antigua dominica grenada st lucia st
vincent and the grenadines st kitts nevis and montserrat this is the most
comprehensive analysis to date of these little known democracies one that will
interest students in comparative government and latin american studies this

study provides a conceptual framework for comparing east caribbean governments with other western political systems for assessing the democratic and authoritarian characteristics of seven small states and for analyzing the impact of modernization on the political development of these developing nations the study describes the political institutions in the east caribbean the role of political parties the church and class and shows how the particular social and economic problems affect the governments and people in the region

this book reviews current education and skills training options in the eastern caribbean and asks whether the prevailing education policies adequately prepare youth for the global economy it provides in depth analysis and relevant international cutting edge practices to guide policymakers educators and private sector leaders in fostering a creative productive and well paid workforce specifically it makes the case for why the oecs education and training systems need to be more responsive to changing labor market demands in the region and discusses how this could be achieved taking into c

contact englishes of the eastern caribbean is the first collection to focus via primary linguistic fieldwork on the underrepresented and neglected area of the anglophone eastern caribbean the following islands are included the virgin islands usa british anguilla barbuda dominica st lucia carriacou barbados trinidad and guyana in an effort to be as inclusive as possible the contiguous areas of the bahamas and the turks and caicos islands often considered part of north american englishes are also included papers in this volume explore all aspects of language study including syntax phonology historical linguistics dialectology sociolinguistics ethnography and performance it should be of interest not only to creolists but also to linguists anthropologists sociologists and educators either in the caribbean itself or those who work with schoolchildren of west indian descent

this book offers comprehensive coverage of vessels that cruise the region and what they offer service cabin details amenities passenger crew ratio dining options and itineraries the guide covers antigua st lucia barbados dominica grenada puerto rico st martin guadeloupe st thomas martinique the author tells you how to get the most out of your 8 10 hours in each port the ships will be calling on information covered includes taxi tours where to find the best shops tour operators who are familiar with the ships schedules and will get you

back to your ship on time for most ports suggested walking tours are detailed and out of town attractions are described as well

describes the sights activities hotels and restaurants on the islands of the eastern caribbean

published since 1950 this authoritative annual reference is based upon a unique imf database that tracks exchange and trade arrangements for the 187 imf member countries along with hong kong sar aruba and curaçao and st maarten the annual report on exchange arrangements and exchange restrictions areaer draws together information on exchange measures in place the structure and setting of exchange rates arrangements for payments and receipts procedures for resident and nonresident accounts controls on capital transactions and provisions specific to the financial sector the data are presented in a clear easy to read tabular format a summary table allows for simple cross country comparisons of key features of their exchange and trade regimes the report s introduction summarizes recent global trends and developments

first edition 204 pages full color queen elizabeth ii has been documented in an unusual way her majesty s portraits on banknotes of 29 countries her majesty s portrait has been featured on the banknotes of 29 countries the world s most featured portrait on banknotes since 1935 when she was only 9 years old this educational and numismatic book covers over 500 high resolution banknote images bring these beautiful pieces of currency many now rarities to life 204 pages published in 2006 and the only banknotes reference and catalog in the world the portrait of queen elizabeth ii has appeared on banknotes in every continent except antarctica the first country to feature the queen on bills was canada which issued a banknote in 1935 featuring her as an 8 year old reviews i recently purchased a copy of a reference book of queen elizabeth banknote portraits by peter eu and ben chiew the book is interesting in the fact that it is so far the definitive reference work of every banknote bearing the engraved image of queen elizabeth ii and when you think about it that s quite a feat elizabeth has reigned or ruled since 1952 so for the past 68 years countless banknotes from numerous uk commonwealths have carried her image this made me wonder if anyone has ever completed a complete set of qeii banknotes or coinage think about it you d have to have a complete set of everything great britain new zealand canada jamaica belize bahamas australia

hong kong cook island east caribbean states and other commonwealth members have issued since then somewhere around about 20 countries in all to attempt such a set would be on the same herculean scale that louis eliasberg did when he completed the only complete set of u s coinage back in the 1950 s anyway the book is very interesting and features color plates and is over 200 pages copies can be found for around 20 which is much cheaper than the deep pockets not to mention years a complete collection would cost you to assemble well worn copper now that is a book i would love in my library hmmm gotta start searching thanks wwc you have me on a mission ps just bought a copy it s mokie never got into bank notes it amazes me the work that must be done to print a reference book the dedication that it takes for a person or group to put together a book like that a lot of this type of book does not have a bug audience golfer thanks for that this is a book ive got to get in my library cheers nm thenumismaster

the eastern caribbean economic and currency union oecs eccu is one of four currency unions in the world as in other parts of the world in the aftermath of the global economic and financial crisis the region is at a crossroads facing the major challenges of creating jobs making growth more inclusive reforming the banking system and managing volatility while grappling with high public debt and persistent low economic growth policymakers have the critical task of implementing strong reforms to strengthen the monetary union while also laying the foundation for accelerating growth this handbook provides a comprehensive analysis of the key issues in the oecs eccu including its organization and economic and financial sector linkages and provides policy recommendations to foster economic growth

the imf s principal statistical publication international financial statistics ifs online is the standard source of international statistics on all aspects of international and domestic finance for most countries ifs online reports data on balance of payments international investment position international liquidity monetary and financial statistics exchange rates interest rates prices production government accounts national accounts and population updated monthly

the new societies provides an intriguing perspective on the transformative steps exemplified with the 1981 meeting for the signing of the treaty of

basseterre which has since produced a foundation for continual manifestations for the benefits of the countries of the eastern caribbean where serving as members of the organisation of eastern caribbean states of which proposes greater prospects for societal growth of good governance highly yielding public responsiveness the reader is presented content on a potential emergence of structural ingenuity culminating in the accentuation of effective notions on multi nationalism in law policy making political representation as may be necessitated by the natural inclination to maximize sound governmental approaches within a larger message the content details the prospect of the achievements of a plan for the americas where the nations of the pan american construct of the organization of american states may shine upon the world a governance system which is in perfect unity with the greatest ideals as has been demonstrated by the coalescing foundational principles for the illumination of quasi legislative grants for human security in the many aspects of developmental formalities congruent understandings of jurisprudence justice and peace seeking keeping in all areas of societal activity
