no book is provoking a more animated discussion among students of the social sciences at the present time than h g wells outline of history the author s task as he himself sets it is to tell truly and clearly in one continuous narrative the whole story of life and mankind so far as it is known today but while these two volumes are plainly for the general reader rather than for the special student of history it does not follow that they contain nothing beyond an endless parade of names and dates their chief value indeed is in the author s interpretation of what he writes about events are appraised and men are weighed in the balance as he goes along historians in general will not agree with some of these appraisals nor will they credit mr wells with an approach to infallibility in his judgment of the men who flit across his pages but his estimates of the relative value of facts and forces can scarcely be brushed aside because they do not command general indorsement on some matters unhappily mr wells has allowed his iconoclastic proclivities to run away with him napoleon i for

example cannot be disposed of as a second grade pestilence because he killed fewer people than the influenza epidemic of 1918 ii p 384 nor will the world believe so long as it retains its senses that napoleon iii was a much more intelligent man than his uncle ii p 438 even the pinchbeck himself would have rebuked this insinuation but when all is said these two stout volumes embody a remarkable achievement they contain astonishingly few historical inaccuracies of the customary type the author s advisers and a competent galaxy of scholars they are have kept him clear of the pitfalls the style is terse and forceful mr wells certainly has the gift of cogent exposition

originally published in 1919 this early work by legendary english author h g wells is both expensive and hard to find in its first edition its 667 pages contain a wealth of information on the history of humanity and include chapters on the first civilisations the languages of mankind the greeks and the persians and much more this ambitious and fascinating work was written by wells in response to the poor textbooks of his time and is thoroughly recommended for those interested in the history of man many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce we are republishing these classic works in affordable high quality modern editions using the original text and artwork

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
