the domestic crusaders focuses on a day in the life of a modern muslim pakistani american family of six eclectic unique members who convene at the family house to celebrate the twenty first birthday of the youngest child with a background of 9 11 and the scapegoating of muslim americans the tensions and sparks fly among the three generations culminating in an intense family battle as each crusader struggles to assert and impose their respective voices and opinions while still attempting to maintain and understand that unifying thread that makes them part of the same family

perhaps no era in christian history since the time of the apostles presented a greater challenge to the spread of faith than the twentieth century the first world war in particular resulted in nearly disastrous losses for the world mission movement christian countries were engaged in fratricidal conflict missionaries were forced to return to their homelands and traditional sources of mission funding dried up in response to the missions crisis american catholic youth devoted themselves to a program of prayer study and sacrifice the catholic students mission crusade beginning with less than fifty members the movement grew to over one million youth and worked to foster support for missionaries in the field

promote missionary vocations and educate youth about the needs of the church throughout the world in the course of their crusade the movement's youth were exposed to the complexities and challenges of diverse religious, political, and cultural worlds including illiteracy in rural America, communism in China and Eastern Europe, and famine and disease in Sub-Saharan Africa. In light of this experience as well as the Second Vatican Council's reformulation of the Catholic Church's approach to missions by the late 1960s, the movement began to question its goal of converting the world, leading to the crusade's crisis of faith and eventually to its disbanding. By exploring the fascinating story of the Catholic Students Mission Crusade, this study offers new insights into the growth of the church amidst contemporary obstacles and historically non-Christian cultures, providing a bridge to understanding the current challenges to Christian globalization.

This collection of essays examines interactions of war, peace, and religion in the United States, a country where religious faith was and still is often deeply felt and widely held. Where faith has provided a set of values to uphold with fervor or to transgress in protest, and where religion has been used to legitimize both armed violence and passive resistance, these essays analyze the mythos of America as a place of religious freedom yet one imbued with a socially imposed civil religion and underpinned by a heavy presumption of Protestant dominance. With subjects ranging from the War of Independence to the early 21st century, the contributions to this volume focus on a variety of historical and chronological circumstances in order to consider what concrete, tangible outcomes, what artifacts were produced by the interface of war, peace, and religion. The swords and ploughshares of the title. This volume thus presents a variety of often multifaceted responses that reflect its interdisciplinary scope. Some contributions refer to fine art pieces including statues, paintings, and murals, and others to works of literature, theology, or public speaking. Some of these interfaces were performed on stage or in film, while yet others were heard on the radio or read in newspapers or journals. Some of the essays gathered here concern individuals working through the meaning of armed conflict in terms of their own personal faith, while others examine the impact of such conflicts on a larger scale, as with whole faith communities or in the shaping of national or foreign policy. The first part, *Communities*, looks at interfaces that served to structure a whole community. The second, *Margins*, examines instances where the relationship between religion and war and peace has occupied a more marginal space within a faith community. The final section turns this interface outward, situating it away from American soil or noting how foreign war shaped the spirituality of those returning.

Go back to where you came from, you terrorist. This is just one of the many warm, lovely, and helpful tips that Wajahat Ali and other children of immigrants receive on a daily basis. Go back where exactly? Fremont, California, where he grew up but is now an unaffordable place to live, or Pakistan, the country his parents left behind a half century ago. Growing up living the suburban American dream, young Wajahat devoured comic books devoid of brown superheroes and fielded well-intentioned advice from uncles and aunts. He became a doctor, he had turmeric stains under his fingernails, was accident-prone, suffered from OCD, and wore husky pants. But he was as American as his neighbors with roots all over the world. Then, while Ali was studying at the University of California, Berkeley, 9/11 happened. Muslims replaced communists as America's enemy number one, and he became an accidental spokesman and ambassador.

of all ordinary unthreatening things muslim y now a middle aged dad ali has become one of the foremost and funniest public intellectuals in america in go back to where you came from he tackles the dangers of islamophobia white supremacy and chocolate hummus peppering personal stories with astute insights into national security immigration and pop culture in this refreshingly bold hopeful and uproarious memoir ali offers indispensable lessons for cultivating a more compassionate inclusive and delicious america

the routledge companion to pakistani anglophone writing forms a theoretical comprehensive and critically astute overview of the history and future of pakistani literature in english dealing with key issues for global society today from terrorism religious extremism fundamentalism corruption and intolerance to matters of love hate loss belongingness and identity conflicts this companion brings together over thirty essays by leading and emerging scholars and presents the transformations and continuities in pakistani anglophone writing since its inauguration in 1947 to today contestations and controversies that have not only informed creative writing but also subverted certain stereotypes in favour of a dynamic representation of pakistani muslim experiences a case for a pakistani canon through a critical perspective on how different writers and their works have at different times both consciously and unconsciously helped to realise and extend a uniquely pakistani idiom providing a comprehensive yet manageable introduction to cross cultural relations and to historical regional local and global contexts that are essential to reading pakistani anglophone literature the routledge companion to pakistani anglophone writing is key reading for researchers and academics in pakistani anglophone literature history and culture it is also relevant to other disciplines such as terror studies post 9 11 literature gender studies postcolonial studies feminist studies human rights diaspora studies space and mobility studies religion and contemporary south asian literatures and cultures

using the yardstick that a short story is any fiction under 15 000 words ishmael reed with the assistance of carla blank has assembled an anthology that reexamines the history of the form across a broader more inclusive spectrum the result is a collection that stretches the boundaries of the american literary landscape including work ranging from animal stories of the northwest coast eyaks to african american folklore to reflections on the american muslim experience pow wow is the sequel to reed s from totems to hip hop a multicultural anthology of poetry across the americas 1900 2002 a volume that included both tupac shakur and t s eliot and was named one of the best poetry anthologies of 2003 by library journal its fiction focused follow up once again demonstrates the broad range of american writing from such stellar names as langston hughes gertrude stein russell banks and alejandro murguító newly discovered writers of all races genders and backgrounds by presenting many different sides to the american story the fiction of these writers challenges official history shatters accepted myths and provides alternatives to mainstream notions of personal and national identity gathering these voices together pow wow offers a fascinating and vital opportunity to traverse the fault lines that separate distinguish and define a nation made of many americas

this introduction to asian american theatre charts ten of the most pivotal moments in the history of the asian diaspora in the usa and how those moments have been reflected in theatre designed for weekly use on asian american theatre courses ten chosen milestones move chronologically from the earliest contact between japan and the west through the

impact of the vietnam war and the resurgent yellow peril hysteria of covid 19 each chapter emphasizes common questions of how racial identities and relationships are understood in everyday life as well as represented on the theatrical stage and in popular culture milestones are a range of accessible textbooks breaking down the need to know moments in the social cultural political and artistic development of foundational subject areas

in the first book to offer a coherent intellectual framework for the study of proposals for the prevention of war ceadel disentangles three strategic dimensions of the nuclear issue the global balance between the u s and russia the european crisis and the british position and analyzes the cases for and against nuclear deterrence
