here is a look at the life and legacy of an irrepressible innovator pushing against both social convention and technological boundaries | Lucien L. Nunn left enduring marks on economic and social history labor development and educational reform the electric edge of academe is a bold portrayal of this progressive era hydroelectric power

magnate who driven by a dynamic conscience also became a force for social change and educational experimentation in 1891 nunn working with tesla and westinghouse pioneered the world's first commercial production of high tension alternating current ac for long distance transmission something thomas edison deemed dangerous and irresponsible after creating the telluride power company nunn constructed the state of the art olmsted power plant in provo canyon and the ontario power works at niagara falls to support this new technology he developed an imaginative model of industrial training that became so compelling that he ultimately abandoned his entrepreneurial career to devote his wealth and talents to experimenting with a new model of liberal education in 1917 nunn founded deep springs college in eastern california the school remains one of the most daring progressive and selective institutions of higher learning in america newell examines how nunn's radical educational ideas have survived internal and external challenges for nearly a century and explores their relevance today this book examines the mind and methods of an irrepressible innovator pushing against both social convention and technological boundaries | | nunn left enduring marks on western economic history labor development and finally educational reform on the edge paints a bold portrait of this progressive era hydroelectric power magnate who driven by a dynamic conscience also became a force for social change and educational experimentation

with the first four episodes of this paranormal academy romance grouped together in this box set fans of the avengers and mythological retelling a will have plenty to binge read it's packed with forbidden romance mystery and action join lara turner as she gets an exclusive invitation to the godslayer academy from the billionaire founder himself robert lannister but why does he want lara there lara may be smart but she's not a fighter especially not against the gods themselves her father may have been a casualty in their only attack on society but revenge isn't something she thought she wanted until robert gives her the chance to have it lara must decide how far she's willing to go to avenge her father's death if she's willing to put her own life on the line for the truth scroll up and 1 click your copy today

in the vibrant maze of indian academia where brilliance meets relentless hurdles the great indian academic adventure takes readers on a journey through the drama comedy and occasional moments of genius that define university life packed with sharp humor and biting sarcasm these tales explore the daily struggles of juggling research teaching and administration all while facing the constant pressure to publish or perish from coffeefueled night owls to young academics discovering that securing funding can feel as miraculous as their research this book captures the

quirks and ironies of a system bursting with potential but held back by conventional practices it explores the mindset clash between traditional researchers and younger minds eager to embrace new approaches but beneath the laughter it reveals deeper truths about the cracks in indian academia and offers a hopeful look at change inspired by solutions like nep 2020 daring readers to reimagine a future where innovation collaboration and passion drive indian academia forward witty honest and strikingly relatable this is a mustread for anyone who has ever wondered what really goes on behind the classroom and lab doors

rogue academic is the first book in a new paranormal academy romance series by usa today best selling author isadora brown fans of the avengers and mythological retellings love the friends to lovers romance the mystery and the action lara turner wants nothing to do with godslayer academy after her father and hundreds of other innocents were massacred in a small midwestern town by the gods themselves an eccentric billionaire funds a school specifically to take them down when they attack again and they will and he wants lara to attend lara is brilliant blunt and stubborn but refuses to be part of anything that would inspire the gods wrath she doesn't want to risk anyone else but when robert lannister who happens to be just as stubborn and much more brilliant than she is makes her an offer she can't refuse lara is forced to confront the fact that she does want revenge and this is the opportunity for it even if it means putting herself at risk

using the icelandic context sigurður gylfi magnússon examines egodocuments as distinct and fascinating manifestations of microhistory reflecting on their nature the circumstances in which they originated and their strengths and weaknesses for scholarly research autobiographical traditions in egodocuments successfully makes the case for egodocuments being an intriguing part of the material culture of their time with ample consideration given to the role of the book within individual households and the impact a source such as autobiography has had on people's daily lives magnússon also provides an insightful historiographical account of how the egodocument has been used in historical works both in iceland and elsewhere in the world since the 19th century

books recommended for undergraduate and college libraries listed by library of congress classification numbers

white field black seeds who can sow although the riddle from which these words are taken comes from oral tradition it refers to the ability to write a skill which in

most nordic countries was not regarded as necessary for everyone and yet a significant number of ordinary people with no access to formal schooling took up the pen and produced a variety of highly interesting texts diaries letters memoirs collections of folklore and handwritten newspapers this collection presents the work of primarily nordic scholars from fields such as linguistics history literature and folklore studies who share an interest in the production dissemination and reception of written texts by non privileged people during the long nineteenth century
