when you pray are you talking to a god who exists or is god nothing more than your imaginary friend like a playmate contrived by a lonely and imaginative child when author sam harris attacked christianity in letter to a christian nation reviewers called the book marvelous and a generation of readers hundreds of thousands of them were drawn to his message deeply troubled dr ravi zacharias knew that he had to respond in the end of reason zacharias underscores the dependability of the bible along with his belief in the power and goodness of god he confidently refutes harris s claims that god is nothing more than a figment of one s imagination and that christians regularly practice intolerance and hatred

around the globe if you found sam harris s letter to a christian nation compelling the book you are holding is exactly what you need dr zacharias exposes the utter bankruptcy of this worldview and if you haven t read harris s book ravi s response remains a powerful passionate irrefutably sound set of arguments for christian thought the clarity and hope in these pages reach out to readers who know and follow god as well as to those who reject god

for distribution outside the usa when sam harris wrote his book letter to a christian nation stating that christians display murderous intolerance dr ravi zacharias felt called to answer the end of reason is a clear and powerful response to the utter bankruptcy of harris s new atheism as it explains the true nature of god the foundation for evil in the world and the basis of true morality

why would a loving and powerful god allow so much pain and suffering in why suffering ravi zacharias and vince vitale carefully walk you through a variety of responses that considered together provide a clear comprehensive and convincing answer responses like where there is the possibility of love there has to be the reality of freedom and therefore the possibility of pain wishing god had made a different world is to wish yourself out of existence the cross is the key to a compelling and rational explanation for trusting in god in the face of suffering in comparison with other world religions the christian response is highly distinctive the reality of evil only makes sense in light of the reality of divine goodness relational knowledge about god takes the argument beyond reason to the presence of god amidst suffering god s decision to allow temporal suffering is understandable when viewed from an eternal perspective divine goodness shows how to conquer not in spite of but even through suffering here is a book written with great respect for the complexity of the issue recognizing that some who read it will be in the trenches of deep suffering themselves and others questioning the very existence of a loving god why suffering provides an answer to the problem of pain and suffering with emotional sensitivity and intellectual integrity

the author believes that over the past forty years movements like new age spirituality and society s obsession with human potential have combined like a perfect storm to redefine for popular culture what has been for centuries the classic biblical definition of the person work and teaching of jesus christ in why jesus ravi zacharias looks at the impact of this storm by discussing the 60s 70s age of aquarius actor shirley maclaine s book and tv series out on a limb author james redfield the celestine prophecy rhonda byrne the secret dan brown the da

vinci code and other books by eckart tolle wayne dyer deepak chopra the dali lama and marianne williamson special attention will be given to the influence of oprah winfrey s media platform in reshaping society by introducing and promoting certain books and authors major new age and human potential tenets will be discussed like the belief that we are all gods and have to discover our divinity jesus was only a good teacher christianity is but one among many ways to eternal life reincarnation is real jesus was married truth is relative there is no sin and perfection is possible the truth of and the arguments for the bodily resurrection of jesus will be presented as the most important argument for the exclusive claims about jesus and christianity

can you trust the bible many answer this question with a staunch no critics increasingly attempt to poke holes in the authority of scripture and deflate faith among believers but ask dr erwin lutzer if you can trust the bible and he ll give a resounding yes in this revised and expanded edition of the popular book 7 reasons why you can trust the bible dr lutzer offers seven foundational arguments for the reliability of scripture in clear easy to follow language he explores the bible s claims about itself the historical reliability of the bible the prophetic predictions of the bible the claims of christ concerning scripture the harmony between science and the bible the providence of god in preserving scripture the power of the bible to change lives in the court of truth the holy spirit testifies to the authority of scripture and all the evidence lines up read 7 reasons and let your confidence in god s word increase dig deeper with the 7 reasons why you can trust the bible dvd and study guide

why do we hurt this is a question asked all through history by the rich and the poor the slave and the free the weak and the powerful and the intellectuals and the dreamers all of us experience pain and the physical and emotional suffering that it can bring for many this question has deep theological undertones and has posed a challenge to their faith in god why is there so much evil and suffering and how can we stop it what is the purpose of pain is there even a purpose if there is a god why is all this pain allowed to continue why do we hurt is a biblically rooted and deeply practical exploration of these questions and more readers will find spiritual nourishment inspiration and insight on each page using clinical stories to illustrate main themes author c nathan vannatta addresses the many problems posed by the reality of pain combining arguments from logic philosophy neuroscience and biblical exegesis the issue of pain and suffering is addressed from various perspectives to lead readers to the hope we have in christ

does god exist how can a good god allow pain and suffering can we trust the bible is jesus a copy of earlier pagan gods is jesus the only way to god what does the bible actually say about homosexuality transgenderism and abortion did jesus actually rise from the dead after living as a strong christian for most of his life caleb eissler began to seriously doubt the very beliefs he had so tightly held to when he entered college he began wrestling with these very questions eissler realized that christianity had to answer these questions and more if it was to be taken seriously ready to walk away from his faith if christianity was found to be false he embarked on a journey to find the truth after years of research eisslers faith wasnt just sustained but transformed he not only found the claims of christianity to be true but also to be even more amazing than he had ever imagined eisslers doubt research and soul searching fueled a new passion to help others rationally think through the same questions he had encountered unchaining the lion is the culmination of eisslers research and passion unchaining the lion sets out to bridge the gap of misunderstanding between christianity and secular culture by laying out the claims and evidence for christianity while addressing countless objections and questions along the way to non believers eissler provides a coherent and easy to follow explanation of the beliefs and the defenses of christianity while challenging them on their presuppositions about the world the bible and god to christians he provides a solid and deep defense of the claims of their faith that will surely help any believer unchain yourself from the shackles of doubt towards christianity as eissler shares a truth that the world must hear

now with a new chapter on why i am not a muslim by an ex muslim why i am a christian is an even more helpful resource in our global times

we all have doubts that challenge our faith we wonder whether the bible still matters or whether god is truly as loving and personal as we hope in his first ever devotional the logic of god apologist ravi zacharias offers 52 readings that explain how and why christianity the bible and god are still relevant vital and life changing for us today to all our dilemmas ravi says i am convinced that jesus christ alone uniquely answers the deepest questions of our hearts and minds with a remarkable grasp of biblical facts and a deep understanding of the questions that trouble our hearts ravi tackles the most difficult topics with ease and understanding but the logic of god is more than intellectual it is also personal offering thoughtful wisdom on when jesus draws especially near you the deep ray of hope found in god s word how god transforms disappointments why prayer matters how genuine peace is possible making sense of suffering

a compelling and intriguing discussion of why believing in god makes the most sense of human existence and our purpose on earth by one of the most respected christian thinkers of our time highly readable survey of the reasons for christian faith not just an academic exercise justin has respectfully engaged many thoughtful atheists and sceptics over years which is always a test for a believer the book is therefore very personal it explains how his own faith has emerged while working through the challenges he has received timothy keller popular radio host and podcaster justin brierley has been creating and facilitating constructive conversations about faith for more than two decades he is an expert in christian apologetics and has had a ringside seat as believers and nonbelievers alike have debated christianity surprisingly justin has come out on the other side of these debates more convinced than ever of the truth of jesus claims and the power of good conversations with this book you get to watch justin as he engages with the most unlikely of conversation partners from richard dawkins to philip pullman on the subject of faith you'll understand why justin after hearing the strongest objections to the christian faith and religion is still a christian for him god makes sense of human existence the inherent value of human life and our ultimate purpose on earth with this book you'll explore tough questions with justin brierley as your guide why would god allow suffering are christianity and the existence of god compatible with science is there any evidence for the resurrection and much more discover the reasons to believe

the controversy surrounding the origin of the universe earth and all living things is an ongoing debate in the public sphere in gaining the high ground over evolutionism author robert j o keefe presents analysis leading to the realization that to obtain knowledge of origin is also to discover the origin of knowledge gaining the high ground over evolutionism recognizes the ideological nature of the topic of origin it steps out of the realm of science and begins to deal with the question by reviewing the scientific revolution and its implications in

western thought studying the interpretation of genesis 1 and describing relevant aspects of the history of geology biology and astronomy o keefe summarizes science as a means of gaining knowledge and discusses the scientific method as it is applied to natural history he examines how the court system has dealt with the controversy draws points from c s lewis s argument against naturalism and then confronts the ideology behind evolutionary science the philosophy of naturalism presenting what he sees are the best arguments against it finally he summons back the grounds for the authority of the bible and discusses the partnership of reason and faith expanding the scope of inquiry beyond the confines of science o keefe shows that the idea of a creator needs to be attended with more seriousness than post enlightenment science and philosophy have ever thought necessary

in 2006 ravi zacharias international ministries rzim held an open forum at the fox theater in atlanta to address the subject has christianity failed you tickets were sold for the event and to the complete surprise of everyone the event was sold out with a capacity crowd of over 5 000 people lined up offering to buy tickets from folks in line for higher prices before the event an rzim cameraman walked the streets and asked people if they had rejected the faith they held at one time one answered that because of a christian s rejection of his gay lifestyle he had done just that another answered that she had left her faith because she had fallen into adultery and could never live it down in the church others had their own reasons some said it was just intellectually untenable in an age of reason they chose to come to the event to judge if there were adequate answers it is estimated that for every one person who writes a letter or attends an event there are one thousand who agree if the atlanta crowd was any indication the question is real and troubling why is it that many live with silent doubt many leaving the evangelical fold for something else is there something wrong with the message the communicator the hearer or is it all three it s time to ask the hard questions of what it means to be a follower of jesus christ and why it seems as though god has made it so hard to continue believing in fact the son of a prominent us senator phoned me with that very question why has god made it so hard to believe in him such skepticism is not just representative of the hostile it also represents many honest questioners this book attempts to lay out the response to those within as well as those outside the christian faith so as to understand what it is we believe and why it is so hard to do so more to the point why it is actually so hard to deny god and still make sense out of life in the end the answers should be both felt and real with the added truth that god is nearer than you think he desires that we sense him very near to us and not

distant but closeness comes at a cost just as any relationship of love and commitment does

this analysis of atheism drawn from a wide range of philosophy and history exposes its flaws while defending the purpose and meaning that christ brings to one s life

jesus among other gods in his most important work to date apologetics scholar and popular speaker ravi zacharias shows how the blueprint for life and death itself is found in a true understanding of jesus with a simple yet penetrating style zacharias uses rich illustrations to celebrate the power of jesus christ to transform lives jesus among other godscontrasts the truth of jesus with founders of islam hinduism and buddhism strengthening believers and compelling them to share their faith with our post modern world deliver us from evil with clarity and insight zacharias shows how many of today s most popular ideas thoughts and beliefs are vandalizing our culture he shows how it is there in the depths of our innermost being that the work of god changes what we want to do this is not an ethical system calling us to civility this is the transforming work of the grace of god who calls us his children he shows how secularization has led us to a loss of shame generating evil even against those we love pluralization has led us to a loss of reason generating evil toward those we choose to hate privatization has led us to loss of meaning generating evil against ourselves

in a world with so many religions why jesus we are living in a time when you can believe anything as long as you do not claim it to be true in the name of tolerance our postmodern culture embraces everything from eastern mysticism to new age spirituality but as ravi zacharias points out such unquestioning acceptance of all things spiritual is absurd all religions plainly and simply cannot be true jesus among other gods provides the answers to the most fundamental claims about christianity such as aren t all religions fundamentally the same was jesus who he claimed to be can one study the life of christ and demonstrate conclusively that he was and is the way the truth and the life in each chapter zacharias considers a unique claim that jesus made and then contrasts the truth of jesus with the founders of islam hinduism and buddhism with compelling insight and passionate conviction in addition to an impressive breadth of reading and study he shares his personal journey from despair and meaninglessness to his discovery that jesus is who he said he is in jesus among other gods ravi zacharias demonstrates that he is one of the most intellectually

gifted as well as spiritually sensitive writers of today's leading apologists for the Christian faith Zacharias brings alive the unique power of the claims of Jesus about himself and the utter relevance of his message today for the human condition David Aikman author of Great Souls

You can't be friends with God if the God you believe in doesn't really exist you can't depend on God if your God is a figment of your imagination in a world full of gods how do you know Jesus is real you have probably heard things like all religions lead to the same God all faiths teach the same things it doesn't matter what you believe just that you believe sincerely but Jesus said that he alone is the way to God he alone shows us the truth of who God is he alone gives us life close to God in this youth edition of Jesus among other gods Ravi Zacharias gives solid evidence as to why we should choose Jesus Christ as the God among all other gods Zacharias contrasts the truth of Jesus with the founders of Islam Hinduism and Buddhism providing strong descriptions of each faith and solid defenses for the cause of Christ in addition to the religion comparisons the book answers questions such as what about all the hypocrites at church how scientific is science how can you best share what you believe and does the Bible teach reincarnation you can never be too young to learn how to defend your faith and this book will tell you exactly how to do just that

Is God relevant in this intriguing work internationally renowned author and public speaker Luis Palau tackles what noted historian Will Durant calls the greatest question of our time whether we can live without God admittedly many individuals today want to go it alone without God either they feel no need for God or they don't want God in their lives for some reason perhaps because of a bad experience with organized religion or perhaps some have doubts because God seems to be outdated or contrary to current thought at the heart of such doubts are intellectual questions raised originally by some of modern history's most influential and outspoken atheists and agnostics yet despite whatever doubts exist as we near the turn of the millennium interest in faith and spirituality is as strong as it has ever been and it continues to grow noted religion pollster George Barna says Americans are probably more interested in spiritual matters than they have been in any other time in the past forty years in this book Luis Palau shows how God is not an outdated idea but a powerful personal force that can transform our troubled times and guide us into the coming millennium
