this book highlights assessment techniques issues and procedures that appeal to practicing clinicians rather than a comprehensive handbook of various tests and measures the clinical assessment of children and adolescents is a practitioner friendly text that provides guidance for test selection interpretation and application with topics ranging from personality assessment to behavioral assessment to the assessment of depression and thought disorder the

leaders in the field of child and adolescent measurement outline selection and interpretation of measures in a manner that is most relevant to clinicians and graduate students each chapter makes use of extensive case material in order to highlight issues of applicability

family business debates provides a novel ground breaking approach to diverse and contemporary topics in current business management research focusing on family enterprises to study both the positive and negative aspects of such commercial structures

during the first decade of the 21st century the catholic church in the developed world has faced a decline in its moral authority increasing accusations of irrelevance to a secular age and a steep and steady decline in commitment among successive generations from the 1960s on despite this catholic schools have multiplied and grown in popularity and educational achievement the book sets out a programme for the contribution of catholic schools to the future of the church covering such topics as the religious education curriculum in its cognitive and affective aspects the sacramental life of the school selection of staff the issue of staff and catholic witness and many other topics engebretson argues that catholic schools are a powerful key to the future of the church and shows how within their diversity catholic schools can be ecclesial communities which have at their heart the building up of the church

the current emphasis on sustainable development is a consequence of the general awareness of the need to solve numerous environmental problems resulting from our modern society this book addresses the topic of investment assessment and environmental economics in an integrated way in accordance with the principles of sustainability considering social and environmental impacts of new investments bringing together papers from the first international conference on environmental economics and investment assessment papers encompass topic areas such as economy and the environment investment planning and assessment environmental economics and entrepreneurship environmental investment planning sustainable environmental management environmental impact assessments and investments environmental performance indicators environmental management systems legislation and law enforcement cost benefits analysis natural resources management social issues and environmental policies risk management in environmental investment location optimization

change is an integral part of any family s day to day experience problems crises transitions and change all affect the family as our society progresses into a more complicated future researchers and practitioners grapple with such complex issues as divorce violence and changing family structures each day and require suggestions and solutions to tough situations associated with families and change this book integrates scholarship from a variety of

disciplines to address the most common problems faced by contemporary families this new edition includes a chapter on lgbt families and covers military families in addition it also has a new student study site and faculty resources

this issue of child and adolescent psychiatric clinics guest edited by drs david buxton and natalie jacobowski will cover several important aspects surrounding dealing with death and dying amongst a child and adolescent population this unique volume will include topics such as talking to adolescents about their death continuing to parent when a parent has a terminal illness supporting children and families at a child s end of life collaboration with a pediatric palliative teams current gaps and opportunities to improve care for children at the end of life ethical issues around pediatric death making meaning after losing child family bereavement after a child dies the role of art therapy in bereavement care of children helping healthcare staff cope after a child dies how do providers deal with a child patient who completes suicide managing a suicide in a school system perinatal death and social media consequences of pediatric death

those personal accounts resurrect the essential experience of children s work play education family relations and coming of age from their own perspectives steering a middle path between the myth of wholesome farm life and the reality of work that was often extremely dangerous riney kehrberg shows both the best and the worst that a rural upbringing had to offer midwestern youth a time before mechanization forever changed the rural scene and radio broke the spell of isolation down on the farm truancy was not uncommon and chores were shared across genders yet farm children managed to indulge in inventive play much of it homemade to supplement store bought toys and to get through the long spells between circuses

the fourth edition of working with families presents an innovative model for choosing specific intervention methods that meet the discriminate level of need of a particular family thomas p holland has been added as a second author to help update and maintain the most current text possible

issues for include annual air transport progress issue
