What is the role of the senses in the creation and reception of poetry? How does poetry carry on the long tradition of making experience and suffering understood by others with poetry? And the fate of the senses? Susan Stewart traces the path of the aesthetic in search of an explanation for the role of poetry in culture herself, an acclaimed poet. Stewart not only brings the intelligence of a critic to the question of poetry but the insight of a practitioner as well. Her new study includes close discussions of poems by Stevens, Hopkins, Keats, Hardy, Bishop, and Traherne of the sense of vertigo in Baroque and Romantic works and of the rich tradition of nocturnes in visual, musical, and verbal art. Ultimately, she argues that poetry can counter the denigration of the senses in contemporary life and can expand our imagination of the range of human expression. Poetry and the fate of the senses won the 2004 Truman Capote Award for Literary Criticism in memory of Newton Arvin, administered for the Truman Capote Estate by the University of Iowa Writers' Workshop. It also won the Phi Beta Kappa Society's 2002 Christian Gauss Award for Literary Criticism.

Reprint of the original first published in 1859. The Antigonus Publishing House specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage.

A compelling analysis of Jewish thought from ancient times to the present on the issue of the gift of the land of Israel and the fate of the Canaanites.

what does the bible teach about the role of the jewish people and the nation of israel today what is god s plan for the future of israel and the neighboring countries how can believers in jesus be part of god s peace process in the middle east the people the land and the future of israel walks through the bible s account of the role of israel and the jewish people both now and in the future each contributor offers a profound insight into god s unfolding plan and purpose for the nation of israel as the scripture depicts them readers will gain a deeper understanding of both current and future events in the middle east as described in both the hebrew scriptures and the new testament features an extensive foreword by best selling author joel rosenberg who addresses the question will there ever be peace for israel and her neighbors each chapter includes a scannable qr code that links to a short video introduction by the author of that chapter introducing its topic discussion questions in each chapter aid book group and classroom discussion

wilhelm bousset 1865 1920 was one of the pioneers in the religionsgeschichtliche schule or history of religions school which established the scientific and comparative study of hellenistic judaism and early christianity a century ago the antichrist legend first published in german in 1895 and translated into english the following year is perhaps bousset s most remarkable book both for its original argument about the connection of antichrist to myths of the primordial dragon and for its vast knowledge of patristic and medieval literature this welcome reissue of this classicwork features a helpful new introduction by david frankfurter
