in re claiming the bible for a non religious world bishop and social activist john shelby spong argues that 200 years of biblical scholarship has been withheld from lay christians in this brilliant follow up to spong s previous books eternal life and jesus for the non religious spong not only reveals the crucial truths that have long been kept hidden from the public eye but also explores what the history of the bible can teach us about reading its stories today and living our lives for tomorrow sarah sentilles author of breaking up with god a love story applauds john shelby spong s reclaiming the bible for a non religious world writing that pulsing beneath his brilliant thought provoking passionate book is this question can christianity survive the education of its believers a question bishop spong answers with a resounding yes

in this smart playful and provocative book one of today's most original business thinkers argues that we underestimate the importance of romance in our lives and that we can find it in and through business by designing products services and experiences that connect us with something greater than ourselves against the backdrop of eroding trust in capitalism pervasive technology big data and the desire to quantify all of our behaviors the business romantic makes a compelling case that we must meld the pursuit of success and achievement with romance if we want to create an economy that serves our entire selves a rising star in data analytics who is in love with the intrinsic beauty of spreadsheets the mastermind behind a brand built on absence an argentinian couple who revolutionize shoelaces the founder of a foodie oriented start up that creates intimate conversation spaces a performance artist who offers fake corporate seminars for real professionals these are some of the innovators readers will meet in this witty deeply personal and rousing ramble through the world of business romanticism the business romantic not only provides surprising insights into the emotional and social aspects of business but also presents rules of enchantment that will help both individuals and organizations construct more meaningful experiences for themselves and others the business romantic offers a radically different view of the good life and outlines how to better meet one's own desires as well as those of customers employees and society it encourages readers to expect more from companies to give more of themselves and to fall back in love with their work and their lives

people of the state

the seventh century of the christian era was undeniably a dark age no matter what the column one may consult in an historical chart of civilization from 500 b c on the years 600 700 a d are the least productive in names and events both in the east and in the west of the countries in that period the one that showed the most sustained intellectual effort was spain civilization there was relatively far advanced due principally to an internal solidarity of hispano roman and visigoth of church and state with the numerous toledan church councils of a quasi civil nature constituting the chief unifying force although one's thoughts turn instinctively to st isidore of seville as the such an advance follows in the wake of may leaders some of the visigothic kings played an enlightened part but particularly it was the bishops who led john of biclar john of sragossa braulio eugene ii tajo fructuosus idefonse and julian

the book examines the use of mystical imagery in the literary works of the 16th century spanish writers and mystics santa teresa de jesus and san juan de la cruz in addition to the variety of sources on which they draw and the influence they exercise on later generations what emerges in the study is a multivalent use of diverse images that is the mystics means of grappling with the

ineffable nature of mystical union

the arts

why was motherhood barely mentioned as a discrete role in eighteenth century sermons and why beginning in the 1830s did it become the focus of attention in domestic manuals and other forms of popular literature addressed to middle class women maxine margolis examines these and other questions about the changing roles of middle class women her conclusion is that we have come to think of as inevitable and biologically necessary is in great measure a consequence of our society's particularly social and economic system she cites the influence of such variables as household versus industrial production a manufacturing versus a service oriented economy the demand or lack of demand for women's labor the economy's need for high quality employees and the changing costs and benefits of rearing the middle class children who would become those employees this convincing analysis asserts that there are well defined material causes for contemporary attitudes toward women and work for new ideas about child rearing for the changing nature of housework and for the revival of feminism from publisher's description

the author analyzes metaphorical border crossings between ideologies and between cultures in films and novels set in the early us southwest in addition to seminal works such as *Blood Meridian* *Go Down Moses* and *The Wild Bunch* he considers lesser known american works chicano mexican and native american literature and writings by women and ex slaves
