a riveting account of how a popularly elected leader has steered the world's largest democracy toward authoritarianism and intolerance over the past two decades thanks to narendra modi hindu nationalism has been coupled with a form of national populism that has ensured its success at the polls first in gujarat and then in india at large modi managed to seduce a substantial number of citizens by promising them development and polarizing the electorate along ethno religious lines both facets of this national populism found expression in a highly personalized political style as modi related directly to the voters through all kinds of channels of communication in order to saturate the public space drawing on original interviews conducted across india christophe jaffrelot shows how modi's government has moved india toward a new form of democracy an ethnic democracy that equates the majoritarian community with the nation and relegates muslims and christians to second class citizens who are harassed by vigilante groups he discusses how the promotion of hindu nationalism has resulted in attacks against secularists intellectuals universities and ngos jaffrelot explains how the political system of india has acquired authoritarian features for other reasons too eager to govern not only in new delhi but also in the states the government has centralized power at the expense of federalism and undermined institutions that were part of the checks and balances including india's supreme court modi's india is a sobering account of how a once vibrant democracy can go wrong when a government backed by popular consent suppresses dissent while growing increasingly intolerant of ethnic and religious minorities

on the press coverage that the godhra carnage received in the indian and international media

no instance of communal violence has provoked as much controversy as the gujarat 2002 carnage in which over 1 000 people mostly muslims were killed and none has been subjected to as much fact finding especially under the monitoring of the supreme court sifting through the wealth of official material this book contends that the fact finding riddled as it was with ambiguities and deceptions gaps and contradictions glossed over crucial pieces of evidence and thereby shielded the powers that be though it gave a clean chit to chief minister narendra modi in 2012 the supreme court appointed special investigation team sit left unasked a range of key questions on the anti muslim violence following the burning of a train in godhra carrying hindutva activists how could modi claim manoj mitta asks to have been unaware for nearly five hours of the first post godhra massacre which took place at ahmedabad s gulberg society how does this claim square with his admission that he was tracking the violence as it unfolded why did modi take five days to visit riot affected areas in ahmedabad and a month to meet muslim victims in a refugee camp why were forensic experts called to see the burnt godhra coach only after two months although it had been open to the public throughout that period what exactly did modi celebrate in his gaurav yatra which he launched within six months of the carnage why did the gujarat police sit for six years on the call data records of the riot period scrupulously researched the fiction of fact finding draws telling parallels between gujarat 2002 and the 1984 massacre of sikhs in delhi to underline an insidious pattern in indian democracy the subversion of the criminal justice system under a shroud of legal platitudes by the ruling dispensation
