the spiritual journey explores how each of us is called by god to become one with christ through the process that he has designed and communicated to us in his word it breaks down the journey into stages following psalm 23 and includes many practical steps and practices

this book is full of stories and writings from wisdom traditions that illustrate the seven basics we need on the spiritual path

when you are on a journey it helps to have a map of the terrain and a guide to help you along the way in this book mark conner presents such a map and guides us through the stages of faith that are common to the spiritual journey this journey is rarely linear or in a straight line there are many curves twists and surprises along the way sometimes we seem to move in circles or in random patterns that don t make sense at the time nevertheless god is at work in our lives welcome to the journey of faith

describing the author s experience of spirituality during the last 20 years this resource is packed with valuable advice stories and observations of a life created from the inside out

are you only a collection of atoms and molecules a particular organization of chemicals or are you something more the journey you are about to begin or continue is about the exploration of meaning or of understanding what is true and real words and especially questions have the ability to transform or influence your very identity a particular phrase can affect your emotions thoughts and actions in this short book if it can be considered a book you are given a chance to expand your conscious awareness of things you cannot see or touch the spiritual journey can help the reader discover values and beliefs hope and meaning as well as encouragement and support to face life challenges and even death in your spirituality score you are asked to consider forty one questions that could change the trajectory of your life the power of individual identity developed from childhood may present you with challenges too great to meet and so you are invited to explore your identity in the personal and group identity short form questionnaire much of who we are individually is influenced by our childhood and family upbringing and so you are invited to look into your past through the counseling assessment self healing questionnaire finally the idea of love as your true nature is proposed in cultivating love as your identity could it be true that our identity our self image can be shaped by adopting a new meta belief about our humanity

seek and you shall find matthew 7 7b in 1949 author robert johnston experienced a life changing encounter with an agnostic coworker because of this person s radically different life perspective johnston began to realize how spiritual conflict leads a christian into a deeper relationship with the holy spirit the way the spiritual journey the path to glory is the compelling story of johnston s fifty year christian pilgrimage in the course of his journey johnston discovers that it is not our achievements in this world that prepare us for salvation but rather christ who uses our life s experiences to propel us toward spiritual victory followers of christ are directed to witness his victorious love and johnston saw god at work that day in 1949 the way encourages you to seek the lord in your life and spread his wonderful message to those

who have yet to respond to it

in this book the seeker and the sought dwight samuels has attempted to share with the reader some of his personal spiritual experiences that have transformed his christian belief system and his beliefs about religions as a whole coming to the realization that it was far from most of what he had been taught in churches his worldly experiences surrounding the question of this creation god and jesus christ as the only son of god through his seeking from an early age he was able to discover many hidden spiritual truths that enlightened his higher consciousness as to who and what god is after finally meeting and being initiated into the spiritual path or as the bible refers to it the way by a perfect living master this was after realizing that he knew absolutely nothing about most things in life except what he was taught either in school or by his mother which was also very limited and coming to the realization that anything that he really learned he learned through his own experience even while in school you have to practice your abcs learn to read and write or practice math to make it to higher levels of mathematics well guess what the spiritual path is no different you cannot just read the bible koran vedas or torah and expect anything except your own mental gymnastics of what is being said in them one has to have a real spiritual teacher it was thirty seven years ago that the love and grace of god was bestowed upon me and the perfect living master of our time came into my life and initiated me onto the spiritual path and through real practice the realizations that he has shown me has confirmed many of the events that christ describes in the bible i pray that you the reader has the same opportunity

this book has been written to help those who are interested in the more quiet side of their lives which is the spiritual side it is a development or enlightenment tool which will help the reader to understand by tuning into ourselves through spiritual development we can achieve a lot more in this life than we thought spiritual journey covers a lot of information but is written simply for easy understanding there are guided meditations and worksheets dotted throughout spiritual journey i have covered understanding and getting in touch with our spiritual side developing through the dream state learning about our guidance system meditation and what it has to offer actual guided and unguided meditations for you to follow learning about the chakra system giving a guided chakra balance learning about reincarnation all aspects of karma understanding past lives and the lessons we set ourselves as well as what soulmates and twinsouls offer us a guided past life regression through meditation learning about healing energies and what candles can offer us for healing how crystals can aid in spiritual development and finally using positive thought to understand the path to a spiritual journey at the end it is all brought together so we can see the benefits to looking outside our earthly life you dont have

to read it all at once go with your intuition gut feeling and choose the areas you feel the need to learn about as you need to i hope you enjoy spiritual journey as much as i enjoyed writing it

the spiritual journey the setting for christian hope is a milestone not only in spiritual theology but more broadly for christianity comprehending the full picture of the spiritual journey is essential for each christian who receives jesus call to follow him having a clearer vision of jesus as our way in our call to holiness allows us to embark with confidence in jesus the way and daily renew our act of hope the author shares the fruit of his long research in spiritual theology doing so with clarity in accessible language based on jesus life and journey a new understanding of the gospel emerges both convincing and captivating the journey of following jesus can then start no christian who prays or who loves jesus and longs for the holy spirit can ignore this teaching

a spiritual path explains how spirituality is used in our everyday lives how to co exist in the spiritual realm as well as the physical how to focus your awareness into the present moment and raising your consciousness the importance of being open to new ideas and releasing that which no longer serves you how to deal with the fear of the known and unknown understanding mind control and the law of cause and effect knowing the role of forgiveness and how it affects our spiritual life an understanding of what time means in the physical realm and the spiritual realm answers to the question of how to communicate with god and being a co creator with god to reach our goal of universal oneness

when rob rathburn was nineteen years old troubled by feelings of emptiness and loneliness he asked what many of us ask from time to time is this all there is a short time later he had what could be called a waking dream he saw three men dressed in robes standing before him inviting him to quiet his mind and follow them to a place where he could find the answers he sought in the years since then he has quietly pursued this strange yet compelling vision and in this book he finally shares the lessons he has learned lessons that changed his life profoundly and dramatically and can change your life as well

a veteran meditation leader offers a 16 part roadmap for the spiritual journey highlighting the signs of progress and obstacles you ll encounter on the way drawing on 40 years of practice john siddique clearly reveals the signposts of success on your spiritual journey and the traps that may hold you back from a life of presence meaning and enlightenment in this helpful guide siddique presents 16 signposts for your spiritual journey he also offers real life stories and a huge range of tools and practices including exercises for writing drawing self reflection and meditation so

you can let go of ego and expand your own awareness written with clarity honesty love and humor signposts of the spiritual journey is a wonderful resource for spiritual and personal growth whatever level of freedom you seek basic human freedom or the great goal of enlightenment this roadmap will guide you on the path of ordinary life and help you receive the benefit in the here and now

there are many spiritual textbooks on every chapter of this book that are already available in the market they may consume a considerable amount of the reader s time causing them to take a while to read and digest before taking up the spiritual journey furthermore it may not be possible to read various books on every chapter covered in this book self help for a spiritual journey is a handy guide for those interested in embarking on a spiritual journey it helps them quickly read and grasp the preparatory exercises this book also covers the interrelationships between the various virtues needed to be cultivated it s a workbook that helps the reader understand the what the why and the how of important spiritual terms it also covers what lord krishna said on each of the virtues in bhagavad gita

in the maze of information available today on personal and spiritual development one book provides a clear map for this vital aspect of life s journey the good road author lecturer and therapist dr louis f kavar provides clear explanations practical exercises and time honored wisdom for those seeking to develop the spiritual dimension of their lives spiritual practices are considered for simple integration in the busiest 21st century life stories of those whose lives have been transformed by traveling the good road illustrate the value of making this journey while including insights from buddhist christian and native american traditions the good road provides the tools to make the journey of the spiritual life from one s own experience the good road is a solid foundation for those who want to make the spiritual life their own

the renowned contemporary mystic and author of the experience of no self presents her philosophical treatise on the nature of self and god as a carmelite nun bernadette roberts pursued a life in union with god she wrote compellingly about her contemplative spiritual journey in her memoirs the experience of no self and the path of no self now she builds on the wisdom she gained exploring the ultimate consciousness that transcends self and experience in what is self ms roberts explains her conceptions of the ego the self and the revelations of the contemplative life deeply personal and profoundly spiritual this latest effort puts all of bernadette s insights into clearer and sharper perspective as though her own journey has grown clearer with distance
