from the blockbuster new york times bestselling author comes a high concept high octane thriller at the crossroads of presidential politics and cutting edge medicine gabe singleton and andrew stoddard were roommates at the naval academy in annapolis years ago today gabe is a country doctor and his friend andrew has gone from war hero to governor to president of the united states one day while the united states is embroiled in a bitter presidential election campaign marine one lands on gabe s wyoming ranch and president stoddard delivers a disturbing revelation and a startling request his personal physician has suddenly and mysteriously disappeared and he desperately needs gabe to take the man s place despite serious misgivings gabe agrees to come to washington it is not until he is ensconced in the white house medical office that gabe realizes there is strong evidence that the president is going insane facing a crisis of conscience as president stoddard s physician he has the power to invoke the twenty fifth amendment to transfer presidential power to the vice president gabe uncovers increasing evidence that his friend s condition may not be due to natural causes who why and how the president s life is at stake a small town doctor suddenly finds himself in the most powerful position on earth and the safety of the world is in jeopardy gabe singleton must find the answers and the clock is ticking with michael palmer s trademark medical details and steeped in meticulous political insider knowledge the first patient is an unforgettable story of suspense

dr jessie copeland is a respected neurosurgeon she spends her days waging life and death battles in the or and her spare time holed up in a lab leading the development of a tiny robot that could revolutionize brain surgery

in his five bestselling novels from the sisterhood to natural causes physician michael palmer has drawn on years of firsthand emergency room experience to create the drama of a frighteningly authentic world a world where the line between medicine and murder is scalpel thin now in his most harrowing suspense novel yet palmer reveals how the power to heal can become a license to kill with his wife evie scheduled for surgery the next day dr harry corbett goes to the hospital for what he hopes will be a quiet evening of reconciliation in recent weeks evie never quick to share her feelings has been more closed and distant than ever but when harry reaches evie s room it is too late for reconciliation shockingly without warning evie is dead the police suspect homicide and their only suspect is dr harry corbett harry is not prepared for the stunning revelations that follow his bright beautiful highly ambitious wife was leading a double life she may have had dangerous secrets but what secret could have been explosive enough to die for then the killer strikes again boldly tauntingly murdering one of harry s favorite patients in such a way that only harry knows the death was not natural this time harry is certain the killer medically sophisticated coolly arrogant moving undetected through a busy urban hospital could only be a doctor and he wonders how many more will die desperately harry probes deeper following the only clue evie left what he finds is a sinister pattern that threatens patients in every hospital in the city harry is engaged in a life and death battle of wits with a chillingly efficient monster and until the doctor is unmasked no patient is safe from his lethal silent treatment michael palmer has done it again delivering a no holds barred novel of medical intrigue a gripping thriller that features the most terrifying physician since hannibal lecter silent treatment will keep your pulse racing from beginning to end

his name is artie a miracle of bio engineering that is about to transform the field of neurosurgery dr jessie copeland knows him better than anyone else at eastern mass medical center and knows it s too soon to be using the tiny robot on a living patient s brain but jessie s department chief is too busy to worry about such ethics and neither of them has any idea that artie will attract a patient from their worst nightmares claude malloche is a master assassin more rumor than man for whom murder is an art no one can identify his face now malloche has a deadly brain tumor and he intends to have the best neurosurgeon in the world operate on it to ensure jessie s cooperation malloche has devised a plan of intimidation that puts at risk her life and the lives of hundreds of innocent people neurosurgery requires nerves of steel but in coming up with a scheme to fulfill her oath as a doctor while thwarting a diabolical killer jessie will be performing the most complex surgery of her career on a knife edge of terror

a suspenseful page turner jolts and entertains the reader mary higgins clark inside boston doctors hospital patients are dying in the glare of the operating room they survive the surgeon s knife but in the dark hollow silence of the night they die suddenly inexplicable horribly a tough bright doctor will risk his career his very life to unmask the terrifying mystery a beautiful and dedicated young nurse unknowingly holds the answer together they will discover that no one is safe from the sisterhood terrific a compelling suspense tale clive cussler

reunited with his former annapolis roommate andrew stoddard now president of the united states when he is asked to become his personal physician gabe singleton discovers that andrew is going insane and that the condition may not be the result of natural causes

with every one of his ten novels a new york times bestseller emergency medicine physician

michael palmer is recognized by critics and fans worldwide as a master of medical suspense now palmer delivers a relentless thriller that slices to our deepest fears with surgical precision a tale as timely as it is terrifying as harrowing as it is plausible welcome to the society at the headquarters of boston's eastern quality health the wealthy and powerful ceo is brutally murdered she's not the first to die nor the last a vicious serial killer is on the loose and the victims have one thing in common they are all high profile executives in the managed care industry dr will grant is an overworked and highly dedicated surgeon he has experienced firsthand the outrages of a system that cares more about the bottom line than about the life and death issues of patients as a member of the hippocrates society will seeks to reclaim the profession of medicine from the hundreds of companies profiting wildly by controlling the decisions that affect the delivery of care but the doctor's determination has attracted a dangerous zealot who will stop at nothing to make will his ally soon will is both a suspect and a victim a pawn in a deadly endgame then in one horrible moment will's professional and personal worlds are destroyed and his very life placed in peril rookie detective patty moriarity is in danger of being removed from her first big case the managed care killings to save her career she has no choice but to risk trusting will knowing he may well be the killer she is hunting together they have little to go on except the knowledge that the assassin is vengeful cunning ruthless and may not be working alone that and a cryptic message that grows longer with each murder a message grant and moriarity must decipher if they don't want to be the next victims

in the tiny town of patience california newcomer dr abby dolan has noticed a frightening syndrome among her emergency room patients it begins with a baffling seemingly minor set of symptoms but builds relentlessly until it plunges its victims into insane murderous rages as she searches for clues to this deadly mystery abby's superiors make it clear her probing is unwelcome soon abby will learn just how high the cost of the truth may be and how far someone will go to keep a lethal secret but she may not find the answer until it's too late to save her patients her career her life

the new york times bestselling author introduces one of the most deadly villains to grace the pages of a novel since the introduction of hannibal lecter the huffington post michael palmer's novel pits a flawed doctor against a ruthless psychopath who has made murder his art form dr nick garrity a gulf war vet suffering from ptsd spends his days and nights dispensing medical treatment from a mobile clinic to the homeless and disenfranchised in d c and baltimore in addition he is constantly on the lookout for his war buddy who was plucked from the streets by the military four years ago for a secret mission and has not been seen since psych nurse gillian coates wants to find her sister's killer she does not believe that the icu nurse took her own life even though every bit of evidence indicates that she did every bit save one her sister has left gillian a subtle clue that connects her with nick garrity together nick and gillian determine that one by one each of those in the operating room for a fatally botched case is dying their discoveries pit them against genius franz koller the highly paid master of the non-kill the art of murder that does not look like murder as doctor and nurse move closer to finding the terrifying secret behind these killings koller has been given a new directive his mission will not be complete until gillian coates and garrity the last surgeon are dead prepare to burn some serious midnight oil boston herald more twists and turns than a sociopath's psyche inventive and effective an entertaining and engaging read california literary review

michael palmer the new york times bestselling author of a heartbeat away and the last surgeon brings us a shocking new thriller at the crossroads of politics and medicine what if a well respected doctor inexplicably goes on a murderous rampage when dr john meacham goes on a shooting spree the office his business partner staff and two patients are killed in the bloodbath then meacham turns the gun on himself the blame falls on dr lou welcome welcome worked with meacham years before as a counselor after john s medical license had been revoked for drug addiction lou knew that john was an excellent doctor and deserved to be practicing medicine and fought hard for his license to be restored after hearing the news of the violent outburst lou is in shock like everyone else but mostly he s incredulous and when he begins to look into it further the terrifying evidence he finds takes him down a path to an unspeakable conspiracy that seems to lead directly to the white house and those in the highest positions of power

the president s teenage son is threatened by a potentially fatal illness rooted in dark secrets from a long buried past the white house is not an easy place to grow up so when cam hilliard the president s sixteen year old son experiences fatigue moodiness and an uncharacteristic violent outburst doctors are quick to dismiss his troubles as teen angst but secret service agent karen ray is convinced there s something more to cam s issues something serious enough to summon her physician ex husband for a second opinion dr lee blackwood must make a diagnosis from an array of symptoms he s never seen before his only clue is a young patient named susie banks who seems to be suffering from the same baffling condition and who was just hospitalized after an attempted murder as lee and karen race to save cam s life they begin to uncover betrayals that breach the highest levels of national security returning to the washington dc setting of the first patient the first family is a riveting medical drama from acclaimed novelist daniel palmer in the tradition of his late father new york times bestselling novelist michael palmer

as a doctor investigates her father s accident she uncovers a deadly medical conspiracy in this thriller by the new york times bestselling author diagnosed with aspergers dr thea sperelakis has always been an outsider despite her brilliant medical mind she fled the institutional politics of hospitals to work with the poor embattled patients of doctors without borders but her rewarding life in africa is turned upside down when her father petros himself a renowned doctor is severely injured by a hit and run driver at a top rated boston hospital petros lays in a deep coma when thea returns home she learns that two of her siblings are demanding that treatment be withheld even more unsettling are the mounting clues that what happened to her father was no accident yet would want him dead the answers are trapped in his brain until he looks at thea and begins slowly to blink a terrifying message in the second opinion michael palmer has created a cat and mouse game where one woman must confront a conspiracy of doctors to uncover an evil practice that touches every single person who ever has a medical test

from the sisterhood michael palmer s first new york times bestseller to the patient his ninth reviewers have proclaimed him a master of medical suspense recognized around the world for original topical nail biting suspense emergency physician palmer s work has been translated into more than thirty five languages now he reaches controversial and startling new heights in a terrifying tale of cutting edge microbiology unbridled greed and murder where either knowing too little or trusting too much can be fatal in chicago a pregnant cafeteria worker suffering nothing more malevolent than flulike symptoms begins hemorrhaging from every part of her body in boston a brilliant musician her face disfigured by an unknown disease rapidly descends

into a lethal paranoia in belinda west virginia a miner suddenly goes berserk causing a cave in that kills two of his co workers finding the link between these events could prove fatal five years ago internist and emergency specialist matt rutledge returned to his west virginia home to marry his high school sweetheart and open a practice he also had a score to settle his father died while working for the belinda coal and coke company and matt swore to expose the mine s health and safety violations when his beloved ginny succumbed to an unusual cancer his campaign became even more bitterly personal now matt has identified two bizarre cases of what he has dubbed the belinda syndrome caused he is certain by the mine s careless disposal of toxic chemicals all he needs is proof meanwhile two women unknown to one another are drawn inexorably to belinda into matt s life and into mortal danger massachusetts coroner nikki solari comes to attend the funeral of her roommate killed violently on a boston street ellen kroft a retired schoolteacher from maryland seeks the remorseless killer who has threatened to destroy her and her family three strangers rutledge solari and kroft each hold one piece of a puzzle they must solve and solve quickly if they don t it will be far more than just their own lives that are at risk michael palmer has crafted a novel of breathtaking speed and medical intricacy where nothing is as it seems and one false step could be fatal

each issue is packed with extensive news about important cancer related science policy politics and people plus there are editorials and reviews by experts in the field book reviews and commentary on timely topics

the master of medical suspense takes you to prestigious boston heart institute where some patients are dying to get well a highly entertaining tale of greed and medicine run amok chicago tribune after a troubled past dr brian holbrook has been given a second chance to prove himself at state of the art boston heart institute he s been chosen to join the medical team testing a new miracle drug the initial results are so promising that brian pushes to get his father who suffers from a dangerous heart condition accepted into the study but brian is beginning to suspect his superiors are hiding something why are crucial records disappearing why did a patient making startling progress suddenly die is the miracle drug a prescription for death the answers could cost brian more than his career for at boston heart institute knowing too much is the quickest way to the morgue praise for miracle cure packs plenty of heart stopping action associated press a fast paced lively thriller boston sunday herald

cincinnati magazine taps into the dna of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region

integrating mri findings associated with the spectrum of problems seen in the most commonly treated joints in sports medicine with the diagnostic findings seen during arthroscopy of the same joint in the same patient this unique text correlates this pathology and applies these findings to the clinic the radiology reading room and the operating suite representing a microcosm of daily patient care this type of interactive correlation is an exceedingly effective tool for education and continued learning an impetus for interdisciplinary research collaboration and a critical part of an approach to optimum patient care furthermore this case based correlation between mri imaging and arthroscopic findings and treatment is a well received and effective method for teaching and discussion at meetings and instructional courses mri arthroscopy correlations is organized into four sections highlighting the four major joints in

which mri and arthroscopy are most commonly used in sports medicine knee shoulder elbow and hip chapters are formatted to present an overview of the specific disease entity first followed by selected cases chosen by the chapter authors that best illustrate common or noteworthy disease entities or pathology with an emphasis on the parallel mri imaging and arthroscopic findings each of the section editors as well as the volume editor are nationally recognized experts teachers and pioneers in their respective areas of sports medicine and have covered the gamut of topics in each of their sections taken together this will be an invaluable resource for sports medicine specialists orthopedic surgeons and musculoskeletal radiologists alike promoting increasingly accurate diagnoses of pathology and advanced treatment options to aid in the optimization of patient care and recovery

in his five bestselling novels from the sisterhood to natural causes physician michael palmer has drawn on years of firsthand emergency room experience to create the drama of a frighteningly authentic world a world where the line between medicine and murder is scalpel thin now in his most harrowing suspense novel yet palmer reveals how the power to heal can become a license to kill with his wife evie scheduled for surgery the next day dr harry corbett goes to the hospital for what he hopes will be a quiet evening of reconciliation in recent weeks evie never quick to share her feelings has been more closed and distant than ever but when harry reaches evie s room it is too late for reconciliation shockingly without warning evie is dead the police suspect homicide and their only suspect is dr harry corbett harry is not prepared for the stunning revelations that follow his bright beautiful highly ambitious wife was leading a double life she may have had dangerous secrets but what secret could have been explosive enough to die for then the killer strikes again boldly tauntingly murdering one of harry s favorite patients in such a way that only harry knows the death was not natural this time harry is certain the killer medically sophisticated coolly arrogant moving undetected through a busy urban hospital could only be a doctor and he wonders how many more will die desperately harry probes deeper following the only clue evie left what he finds is a sinister pattern that threatens patients in every hospital in the city harry is engaged in a life and death battle of wits with a chillingly efficient monster and until the doctor is unmasked no patient is safe from his lethal silent treatment michael palmer has done it again delivering a no holds barred novel of medical intrigue a gripping thriller that features the most terrifying physician since hannibal lecter silent treatment will keep your pulse racing from beginning to end

a vicious serial killer is on the loose and the victims have one thing in common they are all high profile execs in the managed care industry

the sisterhood side effects and flashback
