what happened to beautiful 43 year old natalie wood on the night of 29th november 1981 when she drowned in the dark waters off santa catalina island california almost thirty three years later we are no nearer solving the mystery pamela lillian valemont a crime research numerologist of more than thirty five years standing decided to look into this mysterious case delving further using a completely different set of diagnostic detective tools she is able to furnish us with some astounding clues in answer to the question whatever happened to natalie wood

includes the fiction section from literature reading reacting writing 2 e with three student papers and works by women minority non western and contemporary authors

includes the proceedings of the annual meeting of the society

the editors s practice is to place nontraditional or contemporary works where they belong alongside the classics to integrate new with old familiar with unfamiliar inviting students to discover new works and to see familiar works in new contexts thus their goal in this anthology remains what is has been from the start not just to expand the literary canon but also to expand the personal canons of both students and instructors the goal is to encourage students both to appreciate works representing diverse literary subjects styles and perspectives and to recognize their own roles in bringing these diverse works into their personal literary canons by reading reacting to and writing about them pref
