nostalgia a complex and multi layered emotion has gained interest since the turn of the century in both society and academic circles written by an international group of scholars this volume investigates the relationship between nostalgia and contemporary social issues from a multidisciplinary perspective from history and political theory to marketing and media each chapter discusses the way nostalgia has been presented within a disciplinary context and shows how it has evolved over time as a topic of research casting light on many recent changes in society and culture this is an important contribution to the study of nostalgia and emotions

the routledge handbook of nostalgia serves as a guide to the complex and often contradictory concept of nostalgia as well as the field of nostalgia studies more broadly nostalgia is an area of intense interest across several disciplines as well as within society and culture more generally this handbook brings together an international interdisciplinary team of researchers to survey the current landscape and identify common trends achievements and gaps in existing literature comprising 45 chapters the volume covers the following topics disciplinary perspectives of nostalgias including philosophy history literature and psychology conceptual aspects of nostalgia

including homesickness temporality affectivity and memory historical and political dimensions such as afro nostalgia populism feminism and queer nostalgia spatial and material aspects of nostalgia including ruins regionalism and objects media related nostalgia such as analogue and digital nostalgia reboots revivals gaming and graphic novels essential reading for students and researchers working in nostalgia studies this book will also be beneficial to related disciplines such as philosophy anthropology geography history and literature cultural media heritage museum and film studies courses and more generally for readers interested in how the past is represented and used in the present

nostalgia is a topic that most lay people are familiar with but until recently few social scientists understood once viewed as a disease nostalgia is now considered to be an important psychological resource it involves revisiting personally cherished memories that involve close others when people engage in nostalgia they experience a boost in positive psychological states such as positive mood feelings of social connectedness self esteem self continuity and perceptions of meaning in life since nostalgia promotes these positive states when people experience negative states such as loneliness or meaninglessness they use nostalgia to regulate distress this book explains in detail what nostalgia is how views of it have changed over time and how it has been studied by social scientists it explores issues like how common nostalgia is and whether people differ in their tendency to be nostalgic it looks at the triggers and inspiration for nostalgia and the emotional states that are associated with it finally the psychological social and behavioral effects of engaging in nostalgia are discussed this volume provides the most comprehensive overview to date of the social scientific research into the complex and intriguing phenomenon of nostalgia it will be of interest to a range of students and researchers in psychology and beyond and its accessible writing style and engaging anecdotes will also be appreciated by a wider non academic audience

nostalgia or perversion gothic rewriting from the eighteenth century until the present day presents an interdisciplinary approach to an important aspect of gothic texts films and music that of rewriting from the eighteenth century gothic novel to present day vampire films and goth music the genre is characterised by its nostalgic reflection on past worlds narratives and identities gothic nostalgia is often accompanied by a transgressive drive resulting in perversions of the rewritten pastâ the modern vampire is no longer embodied evil but an attractive dandy while goth subcultures reflect on victorian aesthetics but pervert them by adding fetishist elements gothic nostalgia transforms the past turning it upside down foregrounding its background and corrupting its order in this volume an international group of philosophy literature film and music scholars investigates the instrumental role of nostalgia and perversion in the gothicâ tm s rewriting of the past if elements of both nostalgia and perversion are operative in gothic rewriting how are they connected how do they play out in differing media how do they change audiencesâ tm views on the relationships between binaries such as past and present other and self and norm and deviation nostalgia or perversion brings together the early gothic novel present day female and black gothic literature goth subculture and music and the imagery of horror films and comic books thus broadening the definition of â gothicâ tm from a literary genre to a gesture of pervasive cultural criticism the interdisciplinary analysis of nostalgia and perversion in gothic rewriting uncovers wholly new insights into the artistic and social functions of the gothic making the volume useful to both scholars and students as the essays reflect on academic as well as popular texts and media it is also accessible to general readers nostalgia or perversion provides a sophisticated analysis of how the

gothic radically rewrites the past not as nostalgia but as a calculated act of transgression the past and how its reconstructions break down the boundaries between real and unreal and normal and abnormal is examined across a range of different media including novels films comic books television and music the essays in this collection also address how this issue shapes gothic formulations of race sexuality and gender both ambitious in scope and focused and rigorous in its analysis this book provides a critically important re evaluation of the gothic tradition â andrew smith university of glamorgan uk

nostalgia is a topic that most lay people are familiar with but until recently few social scientists understood once viewed as a disease nostalgia is now considered to be an important psychological resource it involves revisiting personally cherished memories that involve close others when people engage in nostalgia they experience a boost in positive psychological states such as positive mood feelings of social connectedness self esteem self continuity and perceptions of meaning in life since nostalgia promotes these positive states when people experience negative states such as loneliness or meaninglessness they use nostalgia to regulate distress this book explains in detail what nostalgia is how views of it have changed over time and how it has been studied by social scientists it explores issues like how common nostalgia is and whether people differ in their tendency to be nostalgic it looks at the triggers and inspiration for nostalgia and the emotional states that are associated with it finally the psychological social and behavioral effects of engaging in nostalgia are discussed this volume provides the most comprehensive overview to date of the social scientific research into the complex and intriguing phenomenon of nostalgia it will be of interest to a range of students and researchers in psychology and beyond and its accessible writing style and engaging anecdotes will also be appreciated by a wider non academic audience

from mad men to maga how nostalgia came to be and why we are so eager to indulge it from movies to politics social media posts to the targeted ads between them nostalgia is one of the most potent forces of our era on nostalgia is a panoramic cultural history of nostalgia exploring how a force that started as a psychological diagnosis of soldiers fighting far from home has come become a quintessentially modern condition drawing on everything from the modern science of memory to the romantic ideals of advertising and traversing cultural movements from futurism to fascism to facebook cultural critic david berry examines how the relentless search for self and overwhelming presence of mass media stokes the fires of nostalgia making it as inescapable as it is hard to pin down holding fast against the pull of the past while trying to understand what makes the fundamental impossibility of return so appealing on nostalgia explores what it means to remember how the universal yearning is used by us and against us and it considers a future where the past is more readily available and easier to lose track of than ever before if nostalgia was a disease in the good old days then david berry s cogently argued intelligent and witty book should be prescribed reading for anyone wishing to understand what sometimes feels like a peculiarly virulent epidemic of our current times travis elborough we re so lucky to have a writer as thoughtful funny smart and cutting as david berry nostalgia dictates so much of our world and there isn t a better cataloger critic and guide through it than berry scaachi koul

this book examines the emergence of a new genre during the eighteenth century the nostalgia poem this genre is best understood by reconceiving the premises of nostalgia itself examining it as first and foremost a mode of idealization rather than a longing for the past from the poems that make up this genre we have derived many of our modern ideas and images of nostalgia in tracing

the history of the nostalgia poem this book also traces a pattern of tropic change in which a new genre is built around tropes extracted from the dying genres this new genre then begins producing its own tropes in the case of the nostalgia poem these include idealized school days and ruined villages as these tropes become overly familiar the nostalgia poem genre itself begins to fall apart this book reevaluates poems ranging from dryden s hastings elegy to crabbe s the village showing how works as varied as gray s eton college ode macpherson s forged epics and goldsmith s the deserted village are all part of a doomed literary experiment an experiment that has nevertheless determined the course of modern nostalgic thought

includes the papers and proceedings of the annual meeting
