a wide ranging and appreciative literary history of the castaway tale from defoe to the present ever since robinson crusoe washed ashore the castaway story has survived and prospered inspiring a multitude of writers of adventure fiction to imitate and adapt its mythic elements in his brilliant critical study of this popular genre christopher palmer traces the castaway tales history and changes through periods of settlement violence and reconciliation and across genres and languages showing how subsequent authors have parodied or inverted the castaway tale palmer concentrates on the period following h g wells s the island of dr moreau these much darker visions are seen in later novels including william golding s lord of the flies j g ballard s concrete island and iain banks s the wasp factory in these and other variations the castaway becomes a cannibal the castaway s island is relocated to center of london female castaways mock the traditional masculinity of the original crusoe or friday ceases to be a biddable servant by the mid twentieth century the castaway tale has plunged into violence and madness only to see it return in young adult novels such as scott o dell s island of the blue dolphins and terry pratchett s nation to the buoyancy and optimism of the original the result is a fascinating series of revisions of violence and pessimism but also reconciliation

the encyclopedia of the novel is the first reference book that focuses on the development of the novel throughout the world entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre a wide range of topic entries explore the history criticism theory production dissemination and reception of the novel a very important component of the encyclopedia of the novel is its long surveys of development of the novel in various regions of the world

for over a hundred years stories about photographs and photography have reflected the profound uncertainties and inconclusive endings of the modern world for many writers photography supposedly the most realistic of the arts turns out to be the most ambiguous as jane rabb observes in her introduction a number of the stories in this collection involve mysteries perhaps because photography has a capacity for both documentary reality and moral and psychological ambiguity many nineteenth century writers represented here including thomas hardy and sir arthur conan doyle helped make short fiction as respectable as the novel some of them were even serious photographers themselves the twentieth century is arguably a golden age for both the short story and photography this collection includes examples from a worldly group of writer eug[?] ne ionesco julio cort[?] zar michel tournier and italo calvino as well as the chinese writer bing xin and john updike cynthia ozick and raymond carver in this wide range of stories varying from sentimental to obsessive to sinister to tragic and even fatal the reader will find provocative examples of the confluence of the short story and photography both once considered the bastard stepchildren of literature and art

a remarkable meditation on the topography of the modern city a shout in the street offers a close and sensitive examination of four urban landscapes london paris leningrad and new york peter jukes pursues the essence of these international metropolises in an assemblage comprised of his own evocative essays excerpts from modern masters of the essay form such as benjamin barthes and sontag and period photographs a shout in the street with a keenly cinematic eye searches out not just the glittering facades but the vitality of thoroughfares and neighborhoods

in this wide ranging guide to twentieth century french thought leading scholars offer an authoritative multi disciplinary analysis of one of the most distinctive and influential traditions in modern thought unlike any other existing work this important work covers not only philosophy but also all the other major disciplines including literary theory sociology linguistics political thought theology and more

recasting french literary history in terms of the cultures and peoples that interacted within and outside of france s national boundaries this volume offers a new way of looking at the history of a national literature along with a truly global and contemporary understanding of language literature and culture the relationship between france s national territory and other regions of the world where french is spoken and written most of them former colonies has long been central to discussions of francophonie boldly expanding such discussions to the whole range of french literature the essays in this volume explore spaces mobilities and multiplicities from the middle ages to today they rethink literary history not in terms of national boundaries as traditional literary histories have done but in terms of a global paradigm that emphasizes border crossings and encounters with others contributors offer new ways of reading canonical texts and considering other texts that are not part of the traditional canon by emphasizing diverse conceptions of language text space and nation these essays establish a model approach that remains sensitive to the specificities of time and place and to the theoretical concerns informing the study of national literatures in the twenty first century

a study of the close and continuous relationship between two of modern culture s central phenomena the photographic image and travel contributing to the growing literature of travel and its representations the book argues that from the beginnings photography has played a constitutive role in the formation of travel comparable in importance to its part in the potrayal of social idenity it shows how in turn travel has shaped the use and language of all types of photographuc production

biographical bibliographical and critical information on more than four hundred authors who have figured prominently in gay and lesbian literature and culture since 1900

this remarkable book traces comprehensively for the first time the give and take between these sister arts by gathering writings about photography and photographs by and of writers from england europe and the united states over the last century and a half

this volume of contemporary authors r new revision series brings you up to date information on approximately 250 writers editors have scoured dozens of leading journals magazines newspapers and online sources in search of the latest news and criticism writers appearing in this volume include milan kundera sedar leopold senghor shel silverstein
