shipwrecked on the remote volcanic island of Agrihan and with one of them severely injured Lou Benson and Jim and Staci Kirk have to find their way to civilisation joined by orphan Ailsa Cudby who has been living with a local village since her parents died they set off past the volcano in search of an abandoned U.S. Air Force base with time running out to get medical attention the teens once again face danger in order to save one of their own will they find help in time

pursued across the post apocalyptic landscape by a ruthless bounty hunter for a biotech corporation a simple worker who was given a brainjob his brain transferred into a clone becomes an unwitting test subject in the race to create a nanobot serum that gives eternal life for those who can afford it an epic length over 125 000 words sci fi thriller adventure about 344 pages in the print version brilliant reader review

Blue Moon is a horror novel in the Lovecraftian tradition the novel tells the story of an investigator of the occult who fully knows what terrors lurk in

the darkness he however is amoral and uses individual people as tools for his own ends the book focuses on a subtle plot and his attempts to defeat it

emmett might not have a job he might not be going to school he might not have any friends heck he might not even be all that happy but he s clean that s the important thing and all that spare time it means he can really focus on screwing up his friendship and absolutely nothing more than friendship with jim who just happens to be the most important person in his life when their friend chloe shows up at their apartment being chased by men with guns emmett and jim find themselves dragged into a conflict they don t understand a year ago they saved chloe s life from a band of supernatural killers now it seems someone is after her again it s up to emmett and jim to stop them which might be easier if they could figure out why everyone wants her it won t be that easy of course when chloe s on and off again girlfriend gets taken hostage emmett and jim will have to race to save her but an invisible war is raging all around them and they ve just stepped into the crossfire

from the new york times bestselling authors of in the company of heroes comes a thrilling account of military aviation for history buffs and for those who love vivid tales of battlefield heroics publishers weekly in the world of covert warfare special operations pilots are notoriously close lipped about what they do they don t talk about their missions to anyone outside their small community but now michael j durant and steven hartov shed fascinating light on the mysterious elite commandos known as soar special operations aviation regiment and take readers into a shadowy world of combat they have only imagined

the haunted weekend of graduation returns ten year s later it was 10 years later after jim and his wife tina moved to florida with their two children while jim was working at his construction site he thought he was seeing figures og men in dark hats and coats he ignored the situation as the day passed again he saw these men in black hats and coats jim whispered to himself it can t be they found me it s happening all over again he was right it s been 10 years the times of all this horrifying terror has begun again darlene his ex girlfriend is back from the netherland the plethora of deaths by decapitation has started again another weekend of grueling terror has come back to life after winning the battle again for the second time which ended back in stark's maine he heard a voice it was darlene she said in a soft voice we ll always be together you can t run or hide i know at all times where you are then she was gone all jim heard after that was her evil laugh then his son jim jr s laugh

this book is the continuing series in the life of jim baines former truck driver forest ranger and now part owner in the lodge the action never stops from start to finish and early reviews show readers of the lodge are giving the same high rating as they gave the first book fire on the hills in this

book there is a race to save the life of a young girl and what they had to overcome to get to her plus they were also able to break up a spy ring that nobody even knew existed this book is a must read

the code by k m rutledge

beneath a texas sky by rebecca winters released on dec 25 2001 is available now for purchase

first in the explosive series featuring an insidious and seemingly unstoppable terrorist who has set his sights on destruction from the inside out imagine a crazy future world where an ordinary and innocent household object has become weaponized by a nefarious foe that has unleashed them in a sinister plot to attack america no one would question the importation of apparently innocent educational playthings however these toys can be directed to ignite unexpectedly inside households and cause death and destruction on a wide scale many homes and apartments have been destroyed and numerous casualties have occurred will the fbi be able to determine the nature and causes of these attacks and unravel the plot behind them how many innocent people will die before they do don't miss the next book in the infiltration series project sabotage

the last barlow david buford barlow has finally found his long lost family but the joy he feels at being reunited with his brother and sisters is complicated by his growing feelings for his cousin alexandra will alex ever be able to look at david as more than a protector and start thinking of him as a man even a potential husband it turns out david doesn't have much to worry about alex already knows he's the one for her the trouble is they don't have the courage to tell each other their feelings luckily david's new family is there to step in and give these would be sweethearts some help but david and alex aren't the only ones being gently pushed toward the altar

jim mcconnell served both as an ambulance driver and as pilot in france in both cases long before us entry into the war

with the cia and intelligence apparatus compromised at the highest levels jim faithan an ex navy seal and john delaney a mining engineer think they have established a safe new beginning in rio de janeiro seeking minerals and gold that is about to change just as they are approached by four men in suits sniper fire rings out from a nearby rooftop it appears the two men have more enemies than they realized in their escape from enemies they uncover a carefully planned scheme by the russian mafia and the iranian muslim hierarchy who attempt nuclear annihilation of the united states entering conspiracies of treachery propel them through cityscapes and brazilian jungles along with delightful street urchins a powerful jungle drug lord and an enigmatic shaman leader while spies and crooked government operators joust on the hidden battlefields of the world yet the jungle can

bend the laws of nature as they manifest

a cowboy discovers gold in california and fights outlaws threatening his family in this western adventure from carson mcloud with nothing keeping jim heston tied to texas he treks northwest to california determined to carve a life out of the untamed and often brutal wilderness in the shadow of the sierra mountains he builds a ranch until an unforgiving winter wipes out his stock with jobs sparse in the small nearby town jim turns to hunting to keep fed only to stumble upon an even more elusive prey gold cord bannen makes his living parting miners from their hard earned gold hoping to find a motherlode instead of the small scattered nuggets he and his gang steal and when he spies jim exchanging gold at bidwell s bar on more than one occasion cord believes he s finally struck it rich but when cord threatens jim s family he learns the hard way that all that glitters isn t gold for jim heston depends on another type of metal to protect those he loves the double barreled kind that spits lead with bad intentions

a terrorist attack on parliament plunges the country on to a destructive path jim just wants his discharge from the army and return to his life in academia he returns from military service to find a country in chaos and a new regime bent on blaming everything on citizens with foreign heritage like him and his wife annabel she just wants to practise her music and live in a house in the country but with no one lending to those with foreign heritage the chance of building on the land they bought is impossible and it is confiscated by the new regime when they are evicted they find themselves and their daughter in a struggle for survival can they survive long enough to witness the end of the regime or will they become victims of hatred hatred is the first book in m j dees new dystopian series collapse excellent story gritty really gets you thinking sam stokes beta reader vision of the brutality of the regime and its obvious flaws and failings and the desperate ever increasing hardline initiatives to uphold it are all very believable if chilling i certainly won t forget it in a hurry a thoroughly thought provoking read which i have really enjoyed beta reader it felt as though the book was based on what is going on here in the states and what might be in store for us down the road peggy coppolo beta reader was totally drawn into the plot characters and love your descriptive narrative as i have been reading it has been playing as a film in my imagination a testament to such good writing miss a d morrey beta reader
