praise for the retirement plan solution short clear complete and always interesting best book on dc plans and what we should do now charles d ellis author winning the loser s game at a time when the world is in turmoil along with retirement expectations the authors have hit a home run after reading this book i have a plan read it for your path to retirement security dallas salisbury president and ceo employee benefit research institute the retirement plan solution offers a refreshing and provocative

perspective on how to assess retirement needs save to meet these needs and manage the retirement payout process in this time of financial turmoil employees plan sponsors and financial advisors will find this highly practical resource volume both useful and humorous olivia s mitchell director pension research council wharton school the retirement plan solution is a map to the future of 401 k retirement plans but it is not just a theoretical view of what could be instead the authors describe the needs and trends that are already here and then describe the changes that are developing to meet those needs it is about the tomorrow that is happening today fred reish managing director reish luftman reicher cohen the respected authors have created a readable timely and very helpful book on all aspects of retirement planning the suggestions are practical the information is concise and the book is highly recommended for anyone that is interested in sound financial planning moshe a milevsky phd finance professor york university toronto canada this is a must read for people working in the retirement industry as well as those who simply care about how to improve their chance of reaching a financially secure retirement in a clear and simple fashion the authors deliver one of the best books to date on inefficiencies in the current dc plan and potential improvements peng chen president ibbotson associates

seminar paper from the year 2008 in the subject business economics investment and finance grade 1 0 a course current issues in human resources management language english abstract the purpose of this paper is to review the often overlooked negative side of the 401 k retirement plan several major drawbacks of the 401 k such as insufficient investing poor asset allocation and the detrimental effect of market volatility ever more apparent by current economic conditions are discussed the still developing legal liability of 401 k plans and those implications for human resource professionals is also presented through

a legal case study more and more americans rely more heavily on 401 k retirement plans with the worsening social security situation the decline of pension plans and the commonly held belief that 401 k s are the superior choice for an adequate retirement however this belief is rarely questioned and even less so in prosperous economic times when the inherent high risk associated with many types of investments in 401 k plans produce good results some financial advisors economists and even lawmakers though have begun to scrutinize the nearly always positive image of 401 k s for investing in retirement it goes without much contention though that part of this new scrutiny is of course motivated by current worsening economic conditions experts point to a myriad of misconceptions and inherent shortcomings in the current 401 k system these include unguided and often insufficient investing hidden and sometimes substantially detrimental plan fees poor asset allocations on investments inherent and damaging stock market volatility and more while most financial planners continue to hold that the 401 k is an excellent way to invest in one s retirement some questions are being raised and there is perhaps a growing need for more explanation with that recommendation now first background information about the 401 k retirement plan is presented including its basis in laws related to human resources and a brief demonstration of its rise in popularity next the negative side of the 401 k is presented through a literature review organized by several major bullet points lastly a legal case study is presented to reinforce human resource related employer legal liability followed by the paper s conclusion
