emphasizing theological rather than historical questions kasemann divides romans into sections according to what he sees as the key theological concept of the letter the righteousness of god detailed bibliographies are provided for each section of the text

origen of alexandria s commentary on the epistle to the romans is the oldest extant commentary on romans ca 246 this volume presents the first english translation of the commentary covering his exegesis of rom 1 1 to 6 11 one of his longest and most mature works it is the only commentary of origen available in a coherent form from beginning to end the work was originally composed in greek in caesarea but only fragments of the archetype have survived fortunately origen s admirer rufinus of aquileia translated the work into latin ca 406

origen's exegesis predates the controversy between augustine and pelagius by 170 years thus it offers a striking perspective on romans opposition to gnostic interpretations of paul is an important characteristic of the commentary above all origen defends the church against the doctrine of natures the belief that all human beings are born with unalterable natures either good or evil and thus bound for either salvation or damnation and that their conduct during this life cannot alter their destiny origen successfully refutes this teaching showing that freedom of will always abides in rational beings provoked by marcion's repudiation of the old testament origen emphasizes the harmony between gospel and law he highlights as one of paul's main themes in romans the transfer of religion from judaism to christianity from the letter to the spirit in terms both of salvation history and of the transformation of the individual origen claims that the key to unlocking romans is understanding paul's use of homonyms identical expressions such as law jew circumcision death etc with divergent meanings books 6 10 of the commentary presenting origen's interpretation of rom 6 12 to 16 27 will be the next volume published in the fathers of the church series

this reissue of barth's a shorter commentary on romans links to the renewed interest today in a theological interpretation of scripture in response to the modern preoccupation with what lies behind the text the author's context and to a postmodern preoccupation with what lies in front of the text the reader's context both theologians and biblical scholars are asking the following questions what is the relationship between the biblical text interpreter and god can the bible be read both as an historical document and as a text that speaks to us today and if so how can it do so barth's commentarial practice as exemplified in a shorter commentary on romans answers these questions this book is presented in two parts first an introduction by maico michielin helping readers understand barth's theological exegetical approach to interpreting scripture and showing readers how to let scripture address theological and ethical concerns for today the main body of the book then follows the republication of the original english translation by d h van daalen of barth's a shorter commentary on romans

classic commentaries on a variety of themes by one of the world's greatest expositors

since its appearance nearly 35 years ago black's new testament commentary series has been hailed by both scholars and pastors for its insightful interpretations and reliable commentary each book in the series includes an insightful introduction to the important historical literary and theological issues key terms and phrases from the translation highlighted in the commentary where they are discussed explanations of special greek or foreign terms references to important primary and secondary literature and a scripture index c k barrett's exegetical prowess evidenced most distinctly in his volumes on the first and second epistles to the corinthians also in the black's series has long been appreciated in the world of biblical studies now in his long awaited newly revised verse by verse exposition of the epistle to the romans barrett further enhances our understanding of the book of romans early christianity the apostle paul and his theology and the new

testament this revised edition has been reworked updated and retypeset and the inclusion of an index of ancient sources further adds to its usefulness a master of thoroughness historical backgrounds and ancient languages barrett offers insights for scholars ministers students and anyone who wants to know more about paul s epistle to the romans

in a world torn by racial social economic political and gender tensions the message of romans is deeply relevant and needed it is a message both powerful and simple christ loved us while we were enemies of god can we then not follow his example and love those who are different than us romans will prepare us to do so the asia bible commentary series empowers christian believers in asia to read the bible from within their respective contexts holistic in its approach to the text each exposition of the biblical books combines exegesis and application the ultimate goal is to strengthen the body of christ in asia by providing pastoral and contextual exposition of every book of the bible

this volume a part of the interpretation a bible commentary for teaching and preaching series focuses on paul s letter to the romans interpretation a bible commentary for teaching and preaching is a distinctive resource for those who interpret the bible in the church planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry

a new commentary for today s world the story of god bible commentary explains and illuminates each passage of scripture in light of the bible s grand story the first commentary series to do so sgbc offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the bible in their own contexts its story centric approach is ideal for pastors students sunday school teachers and laypeople alike each volume employs three main easy to use sections designed to help readers live out god s story listen to the story includes complete niv text with references to other texts at work in each passage encouraging the reader to hear it within the bible s grand story explain the story explores and illuminates each text as embedded in its canonical and historical setting live the story reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers teachers and students romans romans is a letter that has had monumental impact in the history of christian thought delving into romans helps us see more clearly the biblical story of how god reveals his salvation to both israel and the nations and compels us to read the old testament with a hermeneutical lens which identifies jesus as the centerpiece of israel s redemptive history edited by scot mcknight and tremper longman iii and written by a number of top notch theologians the story of god bible commentary series will bring relevant balanced and clear minded theological insight to any biblical education or ministry

f f bruce s study on romans is a contribution to the tyndale new testament commentaries a popular commentary designed to help the

general bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities

fans of the hammer of god and with my own eyes will enjoy this devotional commentary on romans from pastor bo giertz the beloved 20th century bishop takes readers through paul s letter to the romans pointing to god s grace in christ and forgiveness for the sinner at every turn known as the c s lewis of sweden bo giertz unerringly reveals the fountain of good news in every romans passage giertz delivers part commentary by thoroughly dissecting each passage and part devotional as he keenly directs readers to comforts won for them by christ crucified in all his saving glory

this volume completes the first english translation of rufinus s latin version of origen of alexandria s commentary on the epistle to the romans and contains origen s detailed exegesis of romans 6 12 16 27 in books 6 10 origen carries through to completion his program begun in books 1 5 of defending human freedom and of opposing the natural predestinarian doctrine of the sects founded by the gnostic heretics marcion valentinus and basilides these schools relied heavily on texts from paul interpreted in isolation from the rest of scripture not only to deny free will but to support the doctrine that salvation is determined by the nature one receives at birth whether good or evil in contrast origen clarifies passages in romans by citations from paul s other letters from the gospels and from the old testament he attempts to construct a coherent and unified biblical theology origen views human beings as chosen or rejected by god deservedly everyone has it within his own power whether he becomes a servant of god or of sin a vessel of wrath or of mercy readers will find interesting and thought provoking discussions of all the important theological themes and terms of romans faith hope love works justification election law israel gentiles church sin death flesh body glory etc jacket

one in a series of twelve new testament verse by verse commentary books edited by max anders includes discussion starters teaching plan and more great for lay teachers and pastors alike

martin luther said romans was so important that every christian should memorize it romans outlines many of the basics of the faith and has been a favorite of christians throughout history but reading romans without knowing the historical background is like watching an old comedy without knowing the cultural references still enjoyable but not nearly as vibrant encounter paul s crowning epistle in full color through romans from the everyday bible commentary series in it you ll receive enlightening verse by verse commentary from alan f johnson that s both straightforward and insightful you ll gain cultural and historical backgrounds insights from the original language help with the difficult passages and more you don t have to go to seminary to encounter god in exciting new ways through his word discover how much more enjoyable your personal study will be with understandable quality bible commentary for everyday life

for the first time in english this act volume translates cyril of alexandria s surviving new testament commentaries abounding with insights from one of the most significant figures of the early church these commentaries explore themes such as the triune nature of god christ s sacrificial death and justification and are essential tools for understanding cyril s reading of holy scripture

in this classic commentary renowned swiss theologian frederic louis godet provides a thorough and insightful exposition of paul s epistle to the romans with meticulous attention to detail and a deep understanding of the original greek text godet illuminates the profound theological truths and practical applications found within this pivotal book of the new testament this comprehensive work first published in the late 19th century remains a valuable resource for scholars pastors and laypeople seeking to deepen their understanding of romans and its significance for the christian faith

delve deeper into god s word in this verse by verse commentary robert gundry offers a fresh literal translation and a reliable exposition of scripture for today s readers paul s letter to the romans has been appropriately termed the cathedral of the christian faith gundry s commentary on this profound book will help readers grasp one of the most valued parts of scripture pastors sunday school teachers small group leaders and laypeople will welcome gundry s nontechnical explanations and clarifications and bible students at all levels will appreciate his sparkling interpretations this selection is from gundry s commentary on the new testament
