offers a range of approaches to cinema s explorations of a hidden or absent god through a group of essays by thirty five writers who discuss some fifty movies p 11

this remarkable text first published in 1964 was a landmark of its era and remains in the words of michael lwy a work of remarkable richness drawing on georg lukcs history and class consciousness lucien goldmann applies the concept of world visions to flesh out the similarities between pascal s penses and kant s critical philosophy contrasting them with the rationalism of descartes and the empiricism of hume for goldmann a leading exponent of the most fruitful method of applying marxist ideas to literary and philosophical problems the tragic vision marked an important phase in the development of european thought as it moved from rationalism and empiricism to the dialectical philosophy of hegel marx and lukcs here he offers a general approach to the problems of philosophy of literary criticism and of the relationship between thought and action in human society

the concept of world visions first elaborated in the early work of georg lukàcs is used here as a tool whereby the similarities between pascal s pensées and kant s critical philosophy are contrasted with the rationalism of descartes and the empiricism of hume for lucien goldmann a leading exponent of the most

fruitful method of applying marxist ideas to literary and philosophical problems the tragic vision marked an important phase in the development of european thought from rationalism and empiricism to the dialectical philosophy of hegel marx and lukàcs the book is not a collection of isolated essays on kant pascal racine the status of the legal nobility in seventeenth century france and the exact nature of the religious movement known as jansenism but an attempt to formulate by an examination of these different topics a general approach to the problems of philosophy of literary criticism and of the relationship between thought and action in human society

in western religious traditions god is conventionally conceived as a humanlike creator lawgiver and king a being both accessible and actively present in history yet there is a concurrent and strong tradition of a god who actively hides the two traditions have led to a tension between a god who is simultaneously accessible to humanity and yet inaccessible a god who is both immanent and transcendent present and absent western gnostic esoteric and mystical thinking capitalizes on the hidden and hiding god he becomes the hallmark of the mystics gnostics sages and artists who attempt to make accessible to humans the god who is secreted away histories of the hidden god explores this tradition from antiquity to today the essays focus on three essential themes the concealment of the hidden god the human quest for the hidden god and revelations of the hidden god

in this philosophical exchange a gentile questions a christian about the nature of god and knowledge the christian asserts that true understanding stems from recognizing one s ignorance he argues that while human beings may perceive various truths they cannot grasp the absolute truth of god which transcends all conceptualizations the dialogue highlights the contrast between the gentile s belief in multiple truths and the christian s conviction of a singular ineffable truth ultimately the christian claims that god is beyond all definitions and categorizations existing as the ultimate source of all that is

by rediscovering the true personality of the self revealed god we will be able to understand the great mysteries of the universe that have baffled us for millennia these include the suffering of the blameless the persistence of evil in the world the atoning power of blood sacrifice the prosperity of the wicked the necessity of a new birth or translation of time to eternity the destiny of martyrdom for some of the chosen people and why yahweh remains the hidden god close encounters with god presents a study of multiple close encounters with yahweh the name of god in hebrew scripture these encounters will enable us to have a clearer portrayal of the self revealed god one who is different from the conceptualized deity envisioned through transcendental meditation vision quest or mystical rapture this book is an invitation to acknowledge the revelation of his own person by god himself in multiple close encounters with mortal men and women in our sacred scriptures as opposed to his conceptualization by human intuition or imagination dr reginald o crosley is a practicing physician of internal medicine and nephrology in baltimore originally from haiti he emigrated to the united states in 1967 he has previously published his poetry in montreal and in paris and has also written on alternative medicine the metaphysics of african traditions and the second coming of christ publisher s website [strategicpublishinggroup.com title closeencounterswithgod.html](http://strategicpublishinggroup.com/title/closeencounterswithgod.html)

d james kennedy phd was for decades one of the most trusted and gifted leaders of the christian faith and now with the presence of a hidden god the book he completed shortly before his passing he offers you one more opportunity to know and love the god whom dr kennedy served so courageously with powerful biblical exposition clarity of thought and fascinating examples from history and life dr kennedy and jerry newcombe guide you into a fuller clearer knowledge of almighty god they reveal that first and foremost god is found in jesus christ no one knows the father except the son and anyone to whom the son chooses to reveal him matthew 11 27 esv but we must not be passive if we want a relationship with god the bible tells us that god can be found through faith repentance prayer bible reading and study meditation giving and sharing our faith in this book dr kennedy expounds brilliantly on these truths join in this life changing journey of discovery and see that god is not hidden after all but is present with you now and forever
