we should expect this young woman to be more powerful than our average novice possibly even more powerful than the average magician this year like every other the magicians of imardin gather to purge the city of undesirables cloaked in the protection of their sorcery they move with no fear of the vagrants and miscreants who despise them and their work until one enraged girl barely more than a child hurls a stone at the hated invaders and effortlessly penetrates their magical shield what the magicians guild has long dreaded has finally come to pass there is someone outside their ranks who possesses a raw power beyond imagining an untrained mage who must be found and schooled before she destroys herself and her city with a force she cannot yet control

even if a magician s powers surface of their own accord he will soon be dead if he does not gain the knowledge of how to control them alone among all the novices in the magicians guild only sonea comes from lowly beginnings yet she has won powerful allies including lord dannyl newly promoted to guild ambassador but dannyl must now depart for the elyne court leaving sonea at the mercy of the lies and malicious

rumors her enemies are busy spreading until the high lord akkarin steps in the price of akkarin's support is dear however because sonea in turn must protect his mysteries and a secret that could lead a young novice mage deep into the darkness meanwhile danny's first order to resume high lord akkarin's long abandoned research into ancient magical knowledge is setting him on an extraordinary journey fraught with unanticipated peril as he moves ever closer to a future both wondrous and terrible
