offers a concise summary of and an excellent introduction to recent lucan scholarship major positions on several important subjects are clearly expressed in nontechnical language

tom wright s guide to luke which includes a wealth of information and background detail provides real insights for our understanding of the story of jesus and its implications for the reader his clear style is accessible to new readers of the bible as well as to those who are further on his exciting new translation brings to life passage by passage the immediacy and drama of luke s gospel tom wright has undertaken a tremendous task to provide guides to all the books of the new testament and to include in them his own translation of the entire text each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today a glossary is included at the back of the book the series is suitable for group study personal study or daily devotions

robert karris spreads before us a delightful feast of information about food themes in the

gospel of luke in a lively style of writing karris describes the food and drink popular in jesus day eucharistic implications and the social roles jesus assumes in relation to food

luke portrays the life and ministry of jesus as a divine visitation to the world seeking hospitality the one who comes as visitor and guest becomes host and offers a hospitality in which the entire world can become truly human be at home and know salvation in the depths of their hearts in this new edition of the hospitality of god brendan byrne sj provides to the point commentary on those parts of luke s gospel that bring home to people a sense of the extravagance of god s love for them the hospitality of god approaches luke s gospel through the interpretive key of hospitality it looks at the gospel as a whole yet lingers upon scenes where the theme of hospitality is particularly prominent such as the infancy stories jesus at nazareth jesus in the house of simon the good samaritan martha and mary the banquet in 14 1 35 the prodigal son jesus visit to the tax collector zacchaeus the institution of the eucharist and the emmaus event this revised edition includes a new introductory chapter titled features of luke which includes distinctive themes and motifs of the gospel that invite all to join in the life giving hospitality of god this revised edition is an excellent resource for students teachers and pastors interested in luke s gospel or in search of a helpful perspective for pastoral and homiletic reflection and preparation

what distinguishes luke s gospel from the other three luke s gospel stands out as unique among the gospels in various ways for one thing it is the longest of the gospels starting earlier in jesus life than the others with the announcement of the birth of john the baptist and ending later with jesus ascension to heaven only luke reveals anything about jesus childhood describing his family s visit to jerusalem when he was 12 years old maybe because of this the gospel of luke remains a place where we can encounter jesus anew each time we enter into its words and then take that encounter out into our world and lives continuing the journey with jesus is as challenging today as it was two millennia ago his teachings are still hard to hear his parables are still shocking to consider it is just that hearing them so often has dulled our senses to what is being said and taught in the words this volume is intended to be a companion for making a journey with and through luke to consider the words the way jesus listeners and luke s community would have heard them to try to hear them with fresh untired ears it is a journey that remains revolutionary transforming empowering it is a path that still calls us to step onto fresh it each day it is my hope that the reflections in these pages will facilitate your own encounter and nourish you on your own journey

michael card embarks on an imaginative journey through the gospel of luke picturing luke as historian gentile doctor and slave card approaches luke s written account with questions that engage the imagination join him in the work of opening heart and mind to the gospel of amazement

first book in the australian biblical project series which attempts to show the relevance of the bible in today s world provides a guide to appreciating luke s challenging and pertinent portrait of jesus to christians seeking meaning in their world in the first century each chapter

could be used as a research of study for small groups or individual reflection questions conclude each chapter in which contemporary implications of the material are presented includes a glossary and bibliography the author is a priest of the archdiocese of adelaide co minister in the parish of mansfield park co ordinator of the catholic adult education service for the archdiocese of adelaide and a lecturer at the adelaide college of divinity

was jesus dangerous to the roman empire reading the gospel of luke in the light of roman ruled palestine richard j cassidy demonstrates that jesus was a powerful threat to both the political and social structures of his time

most people all over the world acknowledge that jesus was the greatest teacher who ever lived but have you ever explored in detail what he actually taught join bible teacher keith thomas as he walks you through the life of jesus explaining and studying his words verse by verse in order to apply jesus teaching to your life the words of jesus are life transforming and you will find that as you study luke s gospel in depth that the holy spirit will transform your life the goal of this study is to know jesus christ more clearly to love him more dearly and to follow him more nearly richard chichester luke a physician by trade offers us a rich and detailed account of the ministry of the son of god it does not matter how long you have been a follower of christ you will fall in love with him all over again

the work of the last fifteen years has created new interest in the writings of luke the relation of luke s gospel to mark s gospel and the logia of jesus has sharply defined his own critical methods and processes the researches of harnack hobart and ramsay have restored the credit of luke with many critics who had been carried away by the criticism of baur and who looked askance upon the value of luke as the historian of early christianity it has been like mining digging now here now there the items in luke s books that were attacked have been taken up one by one the work has been slow and piecemeal of necessity but it is now possible to gather together into a fairly complete picture the results it is a positively amazing vindication of luke the force of the argument is cumulative and tremendous one needs to have the patience to work through the details with candor and a willingness to see all the facts with no prejudice against luke or against the supernatural origin of christianity from the preface

how early christian gospels were written is an old question that continues to engage scholars moving beyond the traditional approach of reading luke as a gentile gospel composed primarily using greco roman methods of history and biography writing this book argues that luke s use of the earlier gospel of mark should be understood in the context of contemporaneous early jewish writings known as rewritten scripture texts like the book of jubilees and josephus s antiquities interpret scripture by rewriting it in such a way that ambiguities and contradictions are diminished while also adapting it to contemporary beliefs and practices a similar strategy of interpretation through rewriting best explains luke s reworking of mark even if mark is not yet scripture luke s manner of rewriting mark suggests that luke views the earliest gospel as an authoritative narrative about jesus that merits interpretive clarification and expansion rather than rejection or critique this approach offers

solutions to various problems in the composition of luke such as the combination of expansion and omission verbatim repetition and free paraphrase and it also places luke s compositional process within a plausible ancient literary context

a michael glazier book includes bibliographical references and indexes

elegantly written and beautifully produced this book is a treat for teachers and students alike rosenwein is a masterful storyteller her book will inspire and delight fiona griffiths new york university

g campbell morgan reprint series foreword if it is true that the measure of a person s greatness is their influence not only on his own time but on future generations g campbell morgan must be regarded as a great person his greatness is seen not only in the wide impact of his ministry on both sides of the atlantic but in the fact that his books are still read and studied sixty five years after his death named one of the ten greatest preachers of the twentieth century by the contributing board of preaching magazine morgan made the bible a new and living book not only to the congregations who listened to him but the vast multitude of persons who read his books for sixty seven years morgan preached and taught the scriptures and served churches in england and the united states what is remarkable is that his commentaries and expositions of the bible still speak to persons of a new millennium there have been many changes in the world since he faithfully preached and taught the scriptures but the wide appeal of his books testify to the timelessness of his message although he held pastorate in the congregational and presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions the mystic thomas á kempis once wrote he to whom the eternal word speaks is delivered from many opinions in one of his sermons he referred to the words of amos that there would be a famine for hearing the word of god amos 8 11 the timeless work of g campbell morgan addresses that hunger as his books enable his readers to get beyond opinions to the living word wipf and stock publishers have rendered a great gift to the religious world in reprinting dozens of morgan s books this growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies among this collection is the classic the great physician and commentaries on the gospel of matthew and john persons seeking a living faith and a meaningful encounter with god would profit from reading any of these morgan books near the end of his ministry in a sermon entitled but one thing morgan commented on how portugal changed the words of a coin after christopher columbus discovered america no longer did the inscription say ne plus ultra nothing more beyond but plus ultra more beyond it is the hope of the g campbell morgan trust that the reprinting of these books will bring readers to the more beyond and an even deeper encounter with the word in scripture the morgan trust richard l morgan howard c morgan john c morgan

reading the gospel of luke with this book in hand you encounter jesus in a new way old assumptions get broken new ways of seeing jesus and his kingdom open up who is jesus what are his priorities how did his first hearers understand him jeff krogstad leads the reader into

these questions through each chapter of luke he combines insights from the historical cultural and linguistic context of the bible at the same time he confronts some of our irresponsible ways of dealing with the gospels he then connects those insights with our own deepest needs and desires twentieth century religion has left so many people bored this commentary is especially designed for those who are intrigued by an authentic first century jesus those who are eager to encounter him will be richly rewarded

greg carey s guide equips readers to develop their own informed assessments of luke s gospel the book begins with an inductive exposition of luke s singular approach to composing a story about jesus examining its use of mark clues to its social setting and its distinctive literary strategies recognizing that many readers approach luke for theological and religious reasons while many others do not a chapter on spirit addresses luke s presentation of the god of israel how the gospel ties salvation to the person of jesus and how the problems of sin and evil find their resolution in the kingdom of god and in the community of those who follow jesus a chapter on practice examines the gospel s vision for human community while many readers find a revolutionary message in which women the poor gentiles and sinners find themselves included and blessed in luke s gospel this volume calls attention to inconsistencies and tensions within the narrative luke does speak toward inclusion carey argues but not in a revolutionary way could it be that the gospel promises more than it delivers carey suggests that luke addresses people of relative privilege challenging them toward mercy and inclusion rather than toward fundamental social change an epilogue reflects upon contemporary readers of luke most of whom enjoy privilege in their own right and how they may respond to luke s story with literary sensitivity this guide accompanies readers through questions of religious and social interest offering balanced assessments of the major topics and debates in contemporary interpretation

complete biblical texts with sound scholarly based commentary that is written at a pastoral level the scripture translation is that of the new american bible with revised new testament and revised psalms 1991 provided by publisher
