traces the history of the bagpipe in hawai as well as the influence of the scottish in hawaiian society

what happened to the highland bagpipe in the two centuries following culloden this study presents much new contemporary evidence and uses a range of methods to recreate the changing world of the pipers as they influenced and were influenced by the transformations in scottish society

this record of the achievements of pipers during the war of 1914 18 is not intended to be an appeal to emotionalism it aims at showing that in spite of the efforts of a very efficient enemy to prevent individual gallantry in spite of the physical conditions of the modern battlefield the pipes of war the oldest instrument in the world have played an even greater part in the orchestra of battle in this than they have in past campaigns the piper be he highlander or lowlander or scot from overseas has accomplished the impossible not rarely and under favourable conditions but almost as a matter of routine and to him not scotland only but the british empire owes more than they have yet appreciated in doing so he has sacrificed himself and scotland and the world must face the fact that a large proportion of the men who played the instrument and kept alive the old traditions have completed their self imposed task with 500 pipers killed and 600 wounded something must be done to raise a new generation of players it is a matter of national importance that this should be taken in hand at once and that the sons of those who have gone should follow in the footsteps of their fathers this is the

best tribute that can be offered to them the piobaireachd society intend to institute a memorial school of piping for this purpose and all profits from the sale of this book will be handed over to their fund the compilation of the statistical portions of the work has involved correspondence with commanding officers pipe presidents and pipe majors of many units in the imperial armies to them for their enthusiastic assistance in obtaining information is due the credit for the mass of detail that has been made available
