pulitzer prize finalist in history winner of the journal of the american revolution 2016 book of the year award the remarkable untold story of how the american revolution s success depended on substantial military assistance provided by france and spain and places the

revolution in the context of the global strategic interests of those nations in their fight against england in this groundbreaking revisionist history larrie ferreiro shows that at the time the first shots were fired at lexington and concord the colonists had little chance if any of militarily defeating the british the nascent american nation had no navy little in the way of artillery and a militia bereft even of gunpowder in his detailed accounts ferreiro shows that without the extensive military and financial support of the french and spanish the american cause would never have succeeded france and spain provided close to the equivalent of 30 billion and 90 percent of all guns used by the americans and they sent soldiers and sailors by the thousands to fight and die alongside the americans as well as around the world ferreiro adds to the historical records the names of french and spanish diplomats merchants soldiers and sailors whose contribution is at last given recognition instead of viewing the american revolution in isolation brothers at arms reveals the birth of the american nation as the centerpiece of an international coalition fighting against a common enemy

comments on the personalities who criticized or opposed colonial resistance during the pre revolutionary period and describes loyalist activity between 1776 and 1781

this series cuts the cloth of the american past in new and engaging patterns each volume reexamines a period or reassesses a political or cultural phenomenon in a fresh and authoritative analysis that is amplified by a generous selection of illustrations from sources contemporaneous with the subject publisher
