spanning the period from elizabeth i s reign to charles ii s restoration this study argues the garden is a primary site evincing a progressive narrative of change a narrative that looks to the edenic as obtainable ideal in court politics economic prosperity and national identity in early modern england in the first part of the study amy l tigner traces the conceptual forms that the paradise imaginary takes in works by gascoigne spenser and shakespeare all of whom depict the garden as a space in which to imagine the national body of england and the gendered body of the monarch in the concluding chapters she discusses the function of gardens in the literary works by jonson an anonymous masque playwright and milton the herbals of john gerard and john parkinson and the tract writing of ralph austen lawrence beal and walter blithe in these texts the paradise imaginary is less about the body politic of the monarch and more about colonial pursuits and pressing environmental issues as tigner identifies during this period literary representations of gardens become potent discursive models that both inspire constructions of their aesthetic principles and reflect innovations in horticulture and garden technology further the development of the botanical garden ushers in a new world of science and exploration with the importation of a new world of plants the garden emerges as a locus of scientific study hybridization medical investigation and the proliferation of new ornamentals and aliments in this way the garden functions as a means to understand and possess the rapidly expanding globe

published in 1973 this first volume in the history of wisconsin series remains the definitive work on wisconsin s beginnings from the arrival of the french explorer jean nicolet in 1634 to the attainment of statehood in 1848 this volume explores how wisconsin s native american inhabitants early trappers traders explorers and many immigrant groups paved the way for the territory to become a more permanent society including nearly two dozen maps as well as illustrations of territorial wisconsin and portraits of early residents this volume provides an in depth history of the beginnings of the state

compiled at saint petersburg during the years from 1837 and 1851 the historical description of the clothing and arms of the russian army has had an enormous impact and great importance for the study on the history of russian costume and uniformology development over the past centuries the viskovatov s enormous work is based on a great quantity of archival documents

and contains four thousand colored and b w illustrations it is composed by 30 or 34 volumes 1st edition 1 30 st petersburg 1841 62 and 2nd edition vols 1 34 st petersburg novosibirsk leningrad 1899 1948 the topics discussed start from the early czars until the late nineteenth century our new edition has enriched the book with the plates we revised and colored many of the images so far available just in black and white as well we found some rare color plates with the collaboration of private collectors these together with the first ever english translation make our collection exclusive and of great value this volume is devoted to the russian army uniforms under the reign of peter i the great just to reign of ivan vi for the years 1682 1741

no mission too difficult no sacrifice too great duty first for almost a century from the western front of world war i to the deserts of iraq this motto has spurred the soldiers who wear the shoulder patch bearing the big red one in this first comprehensive history of america s 1st infantry division james scott wheeler chronicles its major combat engagements and peacetime duties during its legendary service to the nation the oldest continuously serving division in the u s army the fighting first has consistently played a crucial role in america s foreign wars it was the first american division to see combat and achieve victory in world war i and set the standard for discipline training endurance and tactical innovation one of the few intact divisions between the wars it was the first army unit to train for amphibious warfare during world war ii the first division spearheaded the invasions of north africa and sicily before leading the normandy invasion at omaha beach and fighting on through the hurtgen forest the battle of the bulge the ruhr pocket and deep into germany by war s end it had developed successful combined arms regimental combat teams and made advances in night operations wheeler describes the first division s critical role in postwar germany and as the only combat division in europe during the early cold war after returning to the united states at fort riley kansas the division fought valiantly in vietnam for five trying years successfully protecting saigon from major infiltration along highway 13 while pioneering air mobile operations it led the liberation of kuwait in desert storm and kept an uneasy peace in bosnia and kosovo along the way wheeler illuminates the division s organizational evolution its consistently remarkable commanders and leaders and its equally remarkable soldiers meticulously detailed and engagingly written the big red one nimbly combines historical narrative with astute analysis of the unit s successes and failures so that its story reflects the larger chronicle of america s military experience over the past century

report of pennsylvania forestry commission published in 1896 1895 pt 2
