this book positions the California Gothic as a highly significant regional subgenre which articulates anxieties specific to the historical cultural and geographical characteristics of the Golden State. California has long been perceived as a utopian space but it is also haunted by the spectres of European and Anglo American imperialism, genocide, racial and economic discrimination, natural disaster and aggressive infrastructural and commercial development. Drawing on the work of California historians and cultural commentators this study explores the ways in which the nightmarish flipside of the California Dream has been depicted within horror and Gothic.

one policeman's desperate and moving account of how he tried for decades to bring a paedophile priest to justice but was blocked by not only the Catholic Church but by his own police force. One policeman's desperate and moving account of his decades long struggle to bring a depraved paedophile priest to justice only to find himself obstructed by the Catholic Church and betrayed by his own police force. Monsignor John Day died in 1978. He was arguably Australia's most prolific paedophile. His victims are counted in the hundreds. Yet when Day died he was feted by Bishop Ronald Mulkearns as having faithfully fulfilled his ministry in God's name. The Church had been well aware of Day's activities for years. His crimes had been overlooked and tacitly endorsed. Unbelievably Day had committed his terrible crimes with the knowledge and protection of senior members of the Victoria Police as well as the Clerk of the Courts, the most senior officer of the court in Mildura in the 1960s and 70s. Together the three men cast a shadow over the city that remains today. Denis Ryan, a young police detective from Melbourne had transferred to Mildura in the early 1960s by the tacit rules of the Day priests. He was not to be charged for any crime short of murder in Victoria. The influence of the Church both in the Victoria Police and within the Office of Public Prosecutions was too strong but Ryan was a good cop and quickly gained the trust of the people of Mildura. One by one the victims started coming forward. Children who had been molested by Monsignor Day and their shocked and sometimes disbelieving parents armed with a dozen or more signed statements Ryan had sufficient evidence to lay charges then began his nightmare as his every step towards bringing Day to justice was blocked by the Catholic Church and then the Victoria Police. Ryan struggled for decades

to have his story and those of day s countless victims heard but shamefully this will be the first time this tragic tale is made public this is ryan s story told in his own words it is also the story of day s victims many of whom are alive today and are here for the first time given a voice after all this time at last the truth can now be told

a chronicle of the mid nineteenth century wagon train tragedy draws on the perspectives of one of its survivors sarah graves recounting how her new husband and she joined the donner party on their california bound journey and encountered violent perils in an account that also offers insight into the scientific reasons that some died while others survived

these 31 stories span a literary career of more than 50 years and serve as a true testament to one of america s most distinguished men of letters the boston globe here are tales of young love and older wisdom of the order and consistency of the natural world and of the chaos contradictions and continuities of the human being
