christ in you the hope of glory colossians 1 27 why do we keep failing even in our best efforts to live the christian life because no one other than jesus christ can live it for the simple reason that he is the christian life and only he can live it in our lives as well major w ian thomas

takes a refreshing look at the pure thrill of living victoriously as you embrace the living savior's presence within you the more you become genuinely and relentlessly available to Christ the more he can take over so that your Christian walk becomes vibrant and effective this inspiring devotional along with the application questions at the end of each reading will help you focus consistently on Jesus himself so you can serve and enjoy him at an entirely new level and dimension you can try to steer clear of sin avoid temptation refuse to steal lie or use drugs and alcohol you can indeed try to be sinless but that is still you and you are still trying Jesus Christ was not holy because he focused his efforts on avoiding sin instead he refused to allow there to be any possible explanation for the quality of his life but the Father as God dwelling in him as man writes Major W. Ian Thomas so whom do you want dwelling in you more of you or all of Christ story behind the book Major W. Ian Thomas was twelve years old when he accepted the Lord with a simple prayer but by nineteen he had been reduced to spiritual exhaustion he says with no hope or reason for going on it was then that he discovered the life transforming secret of the indwelling life of the living Lord Jesus Christ God gave him a message through Galatians 2:20 where he learned to say Lord Jesus I can't you never said I could but you can and always said you would that is all I need to know Major Thomas came to understand it was Christ himself living through him who would do his work this is the message he has been passionately proclaiming all his life

the book is an attempt to describe the origin constitution and destiny of man using what the ancients told us as a starting point a brief genesis of the universe and man is given the universe is shown to be triune comprising a body a mind or soul and a ruling spirit man being a miniature universe is also shown to be triune and composed of a body a mind or soul and an indwelling ruling spirit the book goes on to show that man is animal by his body and human by his mind soul or self an organizing intelligence this is what we are partly animal by the body and partly human by the mind soul or self hence the portrayal of man as centaur whose human torso is inseparably joined to its equine lower part the fact that man is partly animal and partly human leads us to the acceptance of our nature of how and what we are our spirit or Father made us the way we are and this is perfect thus the human nature needs no amendment with the acceptance of our nature as we are the mind realizes that its true mission in the body is to work closely with the indwelling spirit with a view to obtaining the latter's maximal growth optimal growth of the spirit is the sole objective of evolution and the mind as husbandman of the body is expected to contribute

positively to the achievement of the growth the mind as an organizing intelligence acts through the body and with the help of the spirit on the outside world this process has become almost automatic and the mind has been deluded into believing that it can of itself do anything forgetting that it is actually the spirit that does everything through the mind and the body the book goes on to show that the paradise that man once enjoyed can only be regained by a re orientation of the mind towards the spirit within the search of the self the i is for the spirit within and not for some fictitious higher self how can the self search for itself who will do the searching no the search is done by the self and for the spirit within this search for the spirit is indeed true religion a return to the source
