humor has been praised by philosophers and poets as a balm to soothe the sorrows that outrageous fortune's slings and arrows cause inevitably if not incessantly to each and every one of us in mundane life having a sense of humor is seen not only as a positive trait of character but as a social prerequisite without which a person's career and mating prospects are severely diminished if not annihilated however humor is much more than this and so much else in particular humor can accompany cruelty inform it sustain it and exemplify it therefore in this book we provide a comprehensive reasoned exploration of the vast literature on the concepts of humor and cruelty as these have been tackled in western philosophy humanities and social sciences especially psychology also the apparent cacophony of extant interpretations of these two concepts is explained as the inevitable and even useful result of the polysemy inherent to all common sense concepts in line with the understanding of concepts developed by Michael Polanyi in the 20th century thus a thorough nuanced grasp of their complex mutual relationship is established and many platitudes affecting today's received views and scholarship are cast aside like Aristotle and Dewey Arnarsson and Baruchello do not define their terms at the outset but instead they relentlessly pursue the meanings of two ordinary words that everyone vaguely understands to arrive at a critical insight into the concepts these words represent which are both disparate and interrelated Richard Marc Rubin President George Santayana Society

this book for the first time brings together considerations upon the feminine in relation to Paul Ricoeur's thinking the collection of renowned scholars who have published extensively on Ricoeur and promising younger scholars together shows the rich potential of his thought for feminist theory without failing to critically scrutinize it and to show its limitations with respect to thinking gender differences in the first part Ricoeur women and gender Ricoeur's work is

taken as the starting point for the reflection upon the position of women and the feminine and for rethinking the notion of universalism in the second part ricœur in dialogue his work is related to feminist thinkers such as simone de beauvoir judith butler and nancy fraser and to the work of artist kara walker these dialogues aim at thinking through socially relevant notions such as discourse recognition and justice in the third part ricœur and feminist theology ricœurian notions and ideas are the starting point for new perspectives upon feminist theology the insights developed in this book will be of particular value to students and scholars of ricœur feminist theory and the limits of hermeneutics and phenomenology

the matrix trilogy is unique among recent popular films in that it is constructed around important philosophical questions classic questions which have fascinated philosophers and other thinkers for thousands of years editor christopher grau here presents a collection of new intriguing essays about some of the powerful and ancient questions broached by the matrix and its sequels written by some of the most prominent and reputable philosophers working today they provide intelligent accessible and thought provoking examinations of the philosophical issues that support the films philosophers explore the matrix includes an introduction that surveys the use of philosophical ideas in the film topics that the contributors tackle include how a collaborative dream could differ from hallucination the difference between the matrix and the real world why living in the matrix would be considered bad the similarities between the matrix and plato s cave the moral status of artificially created beings whether one can behave immorally in illusory circumstances and the true nature of free will and responsibility this volume also includes an appendix of classic philosophical writing on these issues by plato berkeley descartes putnam and nozick philosophers explore the matrix will fascinate any fan of the films who wants to delve deeper into their themes as well as any student of philosophy who desires an accessible entry into this challenging and profoundly vital world of ideas

pragmatism and the philosophy of sport explores the philosophical significance of sport the phenomenological experience the training coaching and the competition from a uniquely pragmatic angle of vision the philosophical insights of john dewey william james c s peirce jane addams and josiah royce shed new light on the meaning of the

physical practices that take place on our soccer fields national arenas backyards and playgrounds interestingly a close examination of these contemporary practices allows us to understand a wide array of ethical epistemological and metaphysical commitments that the american pragmatic tradition has articulated for more than a century pragmatism's insistence that truth be embodied in the practical consequences of everyday life its balancing of communal and individual purposes its emphasis on the role of chance and spontaneity in experience resonate with the findings of modern kinesiology and sport science

written in clear and engaging prose accessible to anyone with an interest in philosophy this book offers a series of essays that examine one of plato's well loved dialogue gorgias the book discusses all the important philosophical issues that raises including a discussion of the ways of reading a platonic dialogue

patañjali's yogasutra is an ancient canonic indian text composed in sanskrit in the 3rd or 4th century belonging to a very different cultural milieu this multi layered text is philosophical psychological and practical in nature offering a philosophical reading of patañjali's yogasutra this book discusses themes such as freedom self identity time and transcendence and translation between languages cultures and eras drawing substantially upon contemporary indian materials it discusses for the first time classical yoga as reflected upon by daya krishna 1924 2007 with constant reference to krishna chandra bhattacharyya's 1875 1949 studies in yoga philosophy the genuine attempt on behalf of these two original thinkers to engage philosophically with patañjala yoga sets the tone of the textual exploration provided here this book features a new annotated translation of the yogasutra and the author provides a useful background to the extensive samkhya terminology employed by patañjali daniel raveh also offers a close reflection of the very act of translation and the book concludes with suggestions for further reading and a glossary of central notions

buddhist ethics presents an outline of buddhist ethical thought it is not a defense of buddhist approaches to ethics as opposed to any other nor is it a critique of the western tradition garfield presents a broad overview of a range of

buddhist approaches to the question of moral philosophy he argues that while there are important points of contact with these western frameworks buddhist ethics is distinctive and is a kind of moral phenomenology that is concerned with the ways in which we experience ourselves as agents and others as moral fellows

vols for 1981 include the proceedings of the southwestern philosophical society

explorations in counseling and spirituality philosophical practical and personal reflections offers a basic foundation for readers to draw practical and personal conclusions about counseling and spirituality readers review didactic and experiential investigations of spiritual and religious beliefs in relation to counseling the authors examine issues about spirituality as well as examples of specific interventions with information not addressed in other counseling or spirituality resources coverage is divided into philosophical practical and personal domains a holistic model of counseling and spirituality integrates the scholarly and philosophical with the practical and personal this rich introduction draws from many disciplines publisher s description
