jeanne fogle lyons a historian professor and certified tour guide in washington and elan penn the gifted photographer who created the superb from sea to shining sea combine their talents to create a breathtaking and fascinating homage to america s capital city lavish images of fabled monuments world famous museums distinguished universities and lush parks all accompanied by fascinating background information pay tribute to the beauty and history of washington d c from government buildings such as the capitol white house and supreme court to outdoor statues of ulysses s grant mary leo bethune and mahatma gandhi this unique visual tour captures the city s riches as never before visit mount vernon george washington s splendid home and plantation the awe inspiring lincoln memorial the arlington national cemetery where the eternal flame burns over john f kennedy s grave and the smithsonian which protects the glories of our past watch government at work at the federal triangle department buildings see the lovely sculpture garden at the national gallery and feel the magnificence of sacred structures such as st john s of lafayette square every photo from ford s theatre where lincoln lost his life to maya lin s heartbreaking vietnam memorial is inspirational

washington dc gleams with stately columns and neoclassical temples a pulsing hub of political power and prowess but for decades it was one of the worst excuses for a capital city the world had ever seen before america became a world power in the twentieth century washington city was an eyesore at best and a disgrace at worst unfilled swamps filthy canals and rutted horse trails littered its landscape political bosses hired hooligans and thugs to conduct the nation s affairs legendary madams entertained clients from all stations of society and politicians of every party the police served and protected with the aid of bribes and protection money beneath pestilential air the city s muddy roads led to a stumpy half finished obelisk to washington here a domeless capitol building there lining the streets stood boarding houses tanneries and slums deadly horse races gouged dusty streets and opposing factions of volunteer firefighters battled one another like violent gangs rather than life saving heroes the city s turbulent history set a precedent for the dishonesty corruption and mismanagement that have led generations to look suspiciously on the various sin both real and imagined of washington politicians empire of mud unearths and untangles the roots of our capital s story and explores how the city was tainted from the outset nearly stifled from becoming the proud citadel of the republic that george washington and pierre l enfant envisioned more than two centuries ago

the historical society of washington d c an educational and cultural institution serving the residents of metropolitan washington presents growing up in washington d c an oral history a book of memories excerpted from dozens of oral history interviews about childhood in washington during the twentieth century telling stories of the past from playing soccer on the national mall to visiting the zoo from marching in inaugural parades to riding the roller coasters at suburban gardens residents from all four quadrants of the city from different racial and religious backgrounds have documented the vital history of our nation s capital in their hearts and minds in this collection they share their personal experiences of attending school celebrating holidays playing games with friends riding the streetcars and metro and growing up in families and neighborhoods that early on shaped the course of their lives their fascinating tales and anecdotes provide a window into the city s development as seen through the innocent yet discerning eyes of its children

illustrated with historic images of city life such as eating at the hot shoppes and ice skating on the mall and of recognizable local landmarks such as hains point the fun house at glen echo and rock creek park growing up in washington d c brings to life the people and places that have helped to create the city s singular character a one of a kind testament to the variety of life in the great capital of the united states this collection of personal childhood stories and vintage photographs offers a wealth of perspectives on growing up in washington during the twentieth century

there exists a secret hidden for more than a century unknown by virtually anyone of the general public within the design of the monuments of the city of washington dc working entirely alone the author christopher drew has discovered and researched this design plan it took an incredible amount of time and investigation before even the first page was started but now he has fully and finally unveiled it in his new book a secret in washington dc at one of the main entrances to the national portrait gallery in the nation s capital is an obscure monument to the inventor of the first commercial photographic process the french man luis daguerre created by the sculptor jonathan scott hartley in 1890 it has an inscription on the north side of its base that today hardly anyone ever notices it states photography the electric telegraph and the steam engine are the three great discoveries of the age no five centuries in human progress can show such strides as these yet within this little known inscription is the key to unlocking a hidden pattern that has been built into some of the most well known locations in washington d c including the library of congress the street plan of the city and even the capital building itself to tell anymore would be to ruin the experience for the reader to learn what a secret in washington is about you must purchase a copy today you will never look at the nation s capital the same way ever again
