aspland was minister at the gravel pit unitarian church hackney

provides detailed information on more than 20 000 u s and canadian publishers including nearly 1 000 distributors wholesalers and jobbers as well as small independent presses the latest edition adds approximately 500 new entries with increased canadian listings and site and e mail addresses

the extreme complexity of sirach s text at times makes it almost impossible to come to one clear conclusion as regards certain issues there are numerous differences between various translations of this deuterocanonical text in addition the armenian translation being a textual witness to not one but multiple parent texts has its own complications this research provides a sustained theological reading of the armenian text of sirach on the basis of yakob nalean s commentary written in the 18th century at the same time it places a great emphasis on the textual evaluation of the various versions of sirach in armenian in this respect an attempt has been made to display the unique features of the armenian sirach within the wider scope of the scholarship of this biblical text through a comprehensive linguistic and theological analysis of some major parts of sirach in armenian this study assesses the extent to which this book was in use amongst armenians throughout the centuries in particular the numerous references to sirach in both armenian and non armenian patristic literature are examined with the aim of dating the first translations into armenian and tracing the development of the text in the armenian medieval schools

shadow working in project management aims at contributing to our knowledge of all things unconscious and irrational in our behaviour it takes the form of an empirical research and therefore addresses mostly the tools and techniques available to get in touch with shadow aspects of self and collective to recognize how it manifests how it can lead to conflict and ways to address it from that perspective it advances on to question the underlying beliefs of current management practices it explores as well the inherent need for control in projects being those of a professional nature or other ventures it challenges the strength of the concept of the rational man and its protagonism joana bértholo s work explores the role and nature of the shadow in the context of projects and their management with an emphasis on techniques to address it despite being directed to managers and dedicated to the analyses of the managerial discourse the tools and processes it proposes have universal relevance based on the fact that the shadow is everywhere within everyone from the individual to the global scale

the dictionary of early american philosophers which contains over 400 entries by nearly 300 authors provides an account of philosophical thought in the united states and canada between 1600 and 1860 the label of philosopher has been broadly applied in this dictionary to intellectuals who have made philosophical contributions regardless of academic career or

professional title most figures were not academic philosophers as few such positions existed then but they did work on philosophical issues and explored philosophical questions involved in such fields as pedagogy rhetoric the arts history politics economics sociology psychology medicine anthropology religion metaphysics and the natural sciences each entry begins with biographical and career information and continues with a discussion of the subject's writings teaching and thought a cross referencing system refers the reader to other entries the concluding bibliography lists significant publications by the subject posthumous editions and collected works and further reading about the subject
