when you meet dave hes not especially dynamic or spiritual or virtuous just a fairly ordinary bloke with faults and weaknesses like anyone else at the beginning he really wasn't looking for a life changing supernatural contact he was just busy earning a living the results of that first experience of a supernatural holy spirit reverberated through the years changing every aspect of his life even his very self the journey led into places that were dangerous even life threatening it was a journey from whats the point of it all to prosperity fulfilment mission and purpose and according to him the journey is available to anyone who wants it if youve ever wondered whether there really is a spiritual dimension in the universe then you may want to read this book if you ve ever wondered whether its possible for an

ordinary person to be touched by supernatural realities with the power to change people and lives then you definitely want to read this book

this book follows dr trenton branch a scientist whose extremely meager upbringing came from his grandmother and the cruel inner city streets he grows to become a world renowned biochemist living in one of the wealthiest suburbs in the country one miserable day while visiting his old neighborhood a calamity occurs this incites the rage of a rabid pit bull within dr branch he then unites a group of men waging war against the inner city in an attempt to excise all of its demons sparking what some called the civil war of 2020 this controversial story touches on all of the untold secrets of black america while providing a fast paced page turning tale of violence and knowledge with graphic imagery and heart pounding action this book is sure to leave the reader wanting more chalked with witty banter and an introspective look into the soul black boogiemens is a tale of humanitys ongoing struggle between love and hate right and wrong how far are you willing to go to bring peace to your city to your country to your world this book will have you crossing the lines

laurali nixon is a cool gifted highly respected teacher who is assigned to tutor a student who is equally gifted and geeky and disturbed she decides to take matters into her own hands only to become an unwilling player in a re activated crime investigation visceral yet fun loving sordid yet spiritual and poetic and always authentic this novel deeply probes the professional and personal levels of this complex teacher student relationship based on real events well researched it would make a wonderful movie

the third volume in this powerful epic fantasy in the tradition of robin hobb and peter brett a reckoning is at hand on the eve of battle an army tears itself apart from within a new unassailable force rises from the slaughter with the power to raise the dead and harness wild gods malcolm blakley s fighters flee the battlefield alliances shift and fail and malcolm himself is once more running for his life soon he will find new allies as deadly as those he opposes and just as treacherous in far off houndhallow gwen adair and ian blakley s pagan and celestial followers attempt to overcome their differences but the consequences are sure to be deadly and the vow knight elsa lafey searches the wilds of tenebra for the key to end the war once and for all the power of the winter vow but time is running out and the ultimate confrontation approaches

a car accident leaves leo brodie disabled and dependent on ineffectual disability services and government bureaucrats the past is forgotten and the present chaotic service providers complain that leo does not accept his new status although his anger achieves action other people with disability look to him for leadership he is

articulate and charismatic despite his brain injury but leo is not all he seems clients of disability services strive to obtain control of their lives in contemporary australia some workers are supportive while others are out for what they can get occasionally clients and workers forget their roles and come together as people first meanwhile their lives are turned upside down through changes wrought by public servants and politicians jostling for power projects get cancelled services get reorganised and scapegoats are found for failures

i doubt i ll ever read a better account of the history and sociology of popular music than this one brian eno profound and beyond robert plant legendary producer and record label boss joe boyd has spent a lifetime travelling the globe and immersing himself in music he has witnessed first hand the growing popularity of music from africa india latin america the caribbean and eastern europe since the 1960s and was one of the protagonists of the world music movement of the 1980s in this sweeping history boyd sets out to explore the fascinating backstories to these sounds and documents a decade of encounters with the most extraordinary musicians and producers who have altered the course of music for us all and the roots of rhythm remain shows how personalities events and politics in places such as havana lagos budapest kingston and rio are as colourful and momentous as anything that took place in new orleans harlem laurel canyon or liverpool and moreover how jazz rhythm and blues and rock n roll would never have happened if it weren t for the notes and rhythms emanating from over the horizon a gift to the world blow your mind and your speakers cerys matthews one only hopes that this will be taught in schools ry cooder
