layman's guide to employment law provides readers with the fundamentals of singapore employment law it has been written specifically for persons without legal background or training such as non law students employees employers entrepreneurs and human resource managers

the events of the twentieth century have led to a rebirth of protestant theology this book is intended to help the layperson discover what is going on in theology in clear nontechnical language it traces the rise of orthodoxy since the sixteenth century and proceeds to examine schools such as fundamentalism liberalism and neo orthodoxy because of their great influence and importance the theologies of karl barth reinhold niebuhr and paul tillich are treated separately and this revised and expanded edition contains new chapters on rudolf bultmann dietrich bonhoeffer and the god is deadÓ controversy

a layman's guide to religion is a provocative factual often humorous personal study of evolution and religion the author is unsparing in his contempt for all religions and cults and for the hypocritical rascals the pied pipers who sidetrack their innocent victims robbing many of them of their most productive years the author finds those who claim to speak for god while defrauding the elderly of their life's savings especially loathsome one scholar who prefers anonymity remarked after reading the manuscript that when published this one thin volume would contain more common sense than the hundred of thousand dusty

works by so called theologians over the past several millennia the comment was most gratifying as the author world rather have the admiration of one intelligent person whom the author highly regards than the admiration and even reverence of a billion fools bold blunt and unflinching this thin volume cuts through millenia of b s the author s purpose is not offend one religion but to denigrate all of them and hopefully replace religion with reason and common sense targeting historical unpleasant facts in an engaging and humorous manner and the role of evolution the author shows where religion has today become a compost of hypocrisy and pretense and the root cause of all evil plainly this volume contains all you ever wanted to know about religion before you put the subject to rest and get on with your life

this comprehensive foundation for the study of realism will introduce students in disciplines as varied as philosophy international relations and strategic studies to the majestic breadth of the realist tradition that unifies them all the realist tradition in international relations the foundations of western order introduces the principal theorists who have shaped and defined the realist tradition this once dominant theory of international politics has reemerged to provide a shared foundation for understanding political theory international relations theory and strategic studies the work is comprised of four volumes each focusing upon a distinct period and the pivotal contributors writing in that era volume 1 state of hope looks at the classical era when chaos reigned supreme volume 2 state of fear goes through the early modern period and the emergence of the modern state volume 3 state of awe explores the age of total war with its unprecedented dangers volume 4 state of siege examines the present era of insurgency and asymmetrical conflict a truly monumental work this sweeping study will surely foster a new appreciation of the rich tapestry of realist thought and its continuing relevance to the study of world politics
