introduction to law dispute resolution business foundations business regulations globalization

the legal environment of business a managerial and regulatory perspective provides students with an accessible approach to the study of the legal and regulatory environment facing managers in the twenty first century this text introduces students to the legal environment of business with a dynamic mix

of cases and black letter law supported by practical examples

translation is subject to a complex and unique set of legal rules that govern its various practical and intellectual aspects these rules derive from very different legal areas such as intellectual property and labour law while useful from a strictly legal point of view the heterogeneity of sources operates as a major hurdle in terms of understanding the overall legal framework within which translation operates this book offers a general overview of the legal rules applicable to different aspects of translation allowing translators and other interested parties to form a broad and coherent picture of the rules applicable in this area it draws on the provisions of the main legal systems of the world as well as the basic international agreements relevant in this area thus offering both a comparative perspective of the legal issues involved and a guide to relevant national legal rules in addition to a description and analysis of the legal issues and rules involved the book also presents hypothetical cases with a discussion of the problems they pose and possible solutions it explains the theoretical structure of the rules under discussion as well as their practical implications the language and methodology of the book are sufficiently accessible to allow lawyers translators and those who require translation work but do not have a formal legal background to follow the arguments presented

in 1963 the first edition legal and regulatory environment of business led by bob corley started a new course emphasizing the legal environment in which business is conducted by focusing on the public nature of how government regulates business activities rather than simply how businesses privately make transactions a movement away from traditional business law began through its previous 12 editions legal and regulatory environment of business by reed shedd morehead and corley has been the leader in setting the standard for materials covered in an introduction to the legal and regulatory environment of business

for courses in business law and the legal environment of business this is the only textbook that helps students develop a thorough understanding of the legal environment of business and enhances their ability to engage in critical thinking and ethical analysis

current and future managers are regularly confronted with decisions that create risk in the legal environment of business this book provides a framework for qualifying legal risk and then determining if the legal risk is worth taking this framework begins by looking at the relationship between the firm its suppliers customers owners agents and others in society as a whole to understand specific risks in personal injury agreements products borrowing money employees independent contractors and business entity selection when the manager is aware of the magnitude of the risk and the likelihood of the risk the manager is in a strong position to determine if the risk is worth taking this book uses numerous applications from game theory to determine how risks of

the firm compare to risks of another firm an employee a vendor and a customer students of business law will appreciate the black letter legal discussions of civil procedure torts contracts the sale of goods secured transactions agency and business associations with tax implications aspiring accounting students will find familiarity with many topics that appear on the aicpa exam managers will gravitate toward specific guidance with regard to setting up agreements with customers and vendors creating effective human relations policies and mitigating firm risks with regard to internal and external stakeholders dozens of managers provided input and experience that found its way into the selection of examples in the book ensuring real world application for many practical business law problems
