in this widely acclaimed collection of short stories the  
bestselling booker prize winning author of the sense of an ending  
addresses the most poignant aspect of the human condition growing  
old a master at work sweet sour bitter wistful ruminative comic  
elegiac a joy to read san francisco chronicle the characters in the  
lemon table are facing the ends of their lives some with bitter  
regret others with resignation and others still with defiant rage  
their circumstances are just as varied as their responses in 19th  
century sweden three brief conversations provide the basis for a  
lifetime of longing in today s england a retired army major heads  
into the city for his regimental dinner and his annual appointment

with a professional lady named babs somewhere nearby a devoted wife calms or perhaps torments her ailing husband by reading him recipes in stories brimming with life and our desire to hang on to it one way or another barnes proves himself by turns wise funny clever and profound a writer of astonishing powers of empathy and invention

exploring the archives of the man booker prize winning novelist julian barnes including notebooks drafts typescripts and publishing correspondence this book is an extraordinary in depth study of the creative practice of a major contemporary novelist in julian barnes from the margins vanessa guignery charts the genesis and publication history of all of barnes s major novels from his debut with metroland through flaubert s parrot and a history of the world in 10 1 2 chapters to the sense of an ending

julian barnes s work has been marked by great variety ranging not only from conventional fiction to postmodernist experimentation in such well known novels as flaubert s parrot 1984 and a history of the world in 10 1 2 chapters 1989 but also from witty essays to deeply touching short stories the responses of readers and critics have likewise varied from enthusiasm to scepticism as the substantial volume of critical analysis demonstrates this readers guide provides a comprehensive and accessible overview of the essential criticism on barnes s work drawing from a selection of reviews interviews essays and books through the presentation and assessment of key critical interpretations vanessa guignery provides the most wide ranging examination of his fiction and non fiction so far considering key issues such as his use of language his treatment of history obsession love and the relationship between fact and fiction covering all of the novels to date from metroland 1981 to arthur and george 2005 this is an invaluable introduction to the work of one of britain s most exciting and popular contemporary writers

a comprehensive reference to short fiction from great britain ireland and the british commonwealth with approximately 450 entries this a to z guide explores the literary contributions of such writers as joseph conrad james joyce d h lawrence rudyard kipling oscar wilde katherine mansfield martin amis and others

this book addresses the narrative construction of russian cultural memory in the work of julian barnes it investigates how barnes s texts tend to display a memory process as a transcultural mode of the creation of english and russian national identities examining a need to revisit russian canonical works the detailed discursive analysis of the selected english texts exposes an intertextual remembering by duplication thus contributing to the prevention of forgetting through the recuperation of still misrecollected cultural meanings by creatively incorporating russian intertextual elements into his work as a novelist the author seems to insist on sweeping across and beyond national boundaries revealing how frail the invention of tradition is when leading to the illusion of a solid collective memory and its political legitimation the book considers not only a constructive dialogue between barnes s fiction and russian classical literature but also this writer s interpretative mostly imaginative integration of russian literature and culture into his work as a novelist exploring the double meaning of a literary metaphor as a mnemonic image of memory and a product of imagination it offers a comprehensive analysis of barnes s texts which play with intertextuality as an efficient tool of displacement of official memory providing a deeper understanding of historical and cultural processes related to the constantly moving architecture of transcultural memory

a page turner par excellence written with unobtrusive brilliance and full of sharply observed lines the death of us lives up to the hype stephen king the death of us is astonishingly good abigail dean s the real thing mick herron bestselling author of slow horses a crimereads and brit co most anticipated book of 2025 it s the night we never talk about it s the story the world wants to hear but this isn t the story of that night this is the story of us together edward and isabel move to london they are young and in love occupied by friends work and fun but late on a spring evening when they are thirty years old their home is invaded by a serial killer in the wake of this violation each tries to come to terms with a night that changed everything and their marriage begins to crumble twenty five years later their tormentor is caught and edward and isabel reunite for his sentencing isabel has waited years for the man who nearly ended her life to be brought to justice edward has tried to think about anything else as they

prepare to deliver impact statements in the public eye it is time to revisit their love story will they finally be able to confront the secrets longings and lies that tore them apart or will the horror of that night be the death of them a captivating portrait of a marriage and its implosion the death of us digs into the stories we tell ourselves about love and everything love can bear

the essential companion for lovers of the contemporary novel over the past fifty years fiction in english has never looked more various books bulkier than victorian three deckers appear alongside works of minimalist brevity and experiments with form have produced everything from verse novels to twitter thread narratives this is truly a golden age but what unites this kaleidoscopic array of genres and styles celebrated writer and critic peter kemp shows how modern writers are obsessed with the past in a series of engaging and illuminating chapters retroland traces this novelistic preoccupation with history from the imperial and the political to the personal and the literary featuring famous names from across the united kingdom united states and the wider anglophone world ranging from salman rushdie to sarah waters toni morrison to hilary mantel this is a work of remarkable synthesis and clarity a wonderfully readable and enjoyably opinionated guide to our current literary landscape
