how realistic is the prospect of peace in the muslim world this question is the predominant focus for global analysis today but its debate frequently ignores the cultural and social complexity of the muslim world reducing it into a system of states and select actors this book addresses such a failing by exploring how the everyday interactions of women in accordance with islamic personal ethics can offer the world a new interpretation of peace in particular it focuses on the women in islamic societies from aceh to bosnia morocco to bangladesh initiating a dialogue on the role of these women in peacemaking this concentration upon the complex issues of the everyday both enables a detailed exploration of how people conceptualise peace and opens up new frameworks for conflict resolution the discussions that emerge lead to a critical questioning of assumptions about peace as a

state policy and cessation of violence drawing upon original research from different parts of the middle east north africa and asia including iran india afghanistan bangladesh bosnia egypt and sudan the contributors offer a refreshing new look at muslim women as peacemakers challenging any assumptions of islam as an inherently violent religion such a timely work provides new and important analyses on the role of muslim women in forging new pathways of peace in the contemporary world

this book explores the growing attention that sociology has started to give to environmental issues in terms of peace and social justice with a focus on sociological theory and its development it reconstructs the long journey made by the social sciences towards the reconstruction in a single theoretical paradigm of the problems associated with the implementation of conditions of peace and sustainability beginning from the premise that environmental issues are never purely environmental but entail political economic and social implications sustainable development and peace offers an understanding of where we are heading and how reflecting on present challenges and possible directions for the future it will therefore appeal to scholars of sociology social theory development studies politics and environmental studies

cosmopolitan conceptions of justice in global politics are gaining in importance in the field of international political theory cosmopolitanism claims that we owe duties of justice to all the persons of the world and thus that normative theories of global politics should focus first on the interests or welfare of persons rather than of states providing a thorough analysis of relevant literature and covering issues such as war and conflict peace and human security accountability for gross violations of human rights environmental degradation and the democratic deficit in transnational political actions and institutions patrick hayden deftly examines the connections between accounts of cosmopolitanism and the part they play in contemporary global politics he identifies competing theories of cosmopolitanism and defends them as strategies for serving the aims of justice in world affairs furthermore he explores how cosmopolitan theories can function positively in processes of shaping international norms

some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about others cant see the trees for the forestthey miss the wondrous details all around them so why not look instead at both the forest and the trees this commentary on pauls letter to the colossians guides you in doing just that even though we will be exploring ancient biblical cultures and learning plenty about the greek language no prior academic training is needed technical terms have been set aside instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how god is still speaking these same words today to contemporary personal and social challenges we will not then be tourists rapidly zipping through colossians as if on a monotonous interstate highway instead we will be hiking our way through this letter step by step phrase by phrase finding joy in gods truth and growing in our faith come and join the journey

universalising international law is one of the most urgent tasks awaiting those who wish to advance the discipline though all the world acknowledges its universal nature it has long been confined in a largely monocultural mould indeed a tendency is sometimes discernible for international law to be compartmentalised and to function within a close cabinet of technical rules little known to those outside the ranks of specialists this volume looks initially at some general aspects of universalisation it thereafter adopts a universalist approach to some of the sources of international law and it deals with peace the bedrock of international law which likewise requires a universalist approach it is hoped that these studies will highlight the imperative need that now exists for extending the conceptual framework of international law thereby buttressing its moral authority and widening its appeal at a time when universal acceptance of international law is one of the most pressing demands of the international system

moving beyond previous scholarship he gives us a locke as much concerned with the effective functioning of government as with the roots of its moral legitimacy book jacket

the day had been very hot even for the transvaal where the days still know how to be hot in the autumn although the neck of the summer is broken especially when the thunder storms hold off for a week or two as they do occasionally even the succulent b
