no two figures could seem further removed than mohandas k gandhi and osama bin laden gandhi advocated an inclusive religious perspective and believed that the highest ideals in religion led to the path of absolute nonviolence in contrast bin laden has concocted a militant and exclusive interpretation of islam and tried to justify some of the most barbarous acts of terrorism witnessed at the turn of the century can both men be equally religious figures as leaders of movements of political protest do they have any points of similarity moreover how can the religious philosophy of nonviolence respond to its nemesis which takes life so easily and casually these and other important questions are explored in this work that examines the lives and ideas of mohandas k gandhi and osama bin laden as well as that of abdul ghaffar khan a refreshing nonviolent representative of islam

in recent years there has been much controversy about the proper forum in which to prosecute and punish suspected terrorists some have endorsed aggressive use of military commissions others have proposed an entirely new national security court however as the nation strives for a vigorous and effective response to terrorism we should not lose sight of the important tools that are already at our disposal nor should we forget the costs and risks of seeking to break new ground by departing from established institutions and practices as this white paper shows the existing criminal justice system has proved successful at handling a large number of important and challenging terrorism prosecutions over the past fifteen years without sacrificing national security interests rigorous standards of fairness and due process or just punishment for those guilty of terrorism related crimes

al qaeda is the most dangerous terrorist movement in history yet most people in the americas and europe know very little about it or their view is clouded by misperceptions and half truths if the first rule of war is to know your enemy then we have a

long way to go this important book fills this gap with a comprehensive analysis of al qaeda the origins leadership ideology and strategy of the terrorist network that brought down the twin towers and continues to threaten us today bruce riedel is an expert on the middle east and south asia with thirty years of intelligence and policymaking experience he was actually in the white house situation room during the 9 11 attacks serving as special assistant to the president and national security council senior director for near east affairs he draws on this insider experience in profiling the four most important figures in the al qaeda movement osama bin laden its creator and charismatic leader ideologue ayman zawahiri its egyptian coleader and principal spokesman abu musaib al zarqawi leader of al qaeda in iraq until his death in 2006 and mullah omar its taliban host these profiles provide the base from which riedel delivers a much clearer understanding of al qaeda and what must be done to counter it the search for al qaeda reviews how al qaeda was created and developed presenting authoritative and chilling background on the manhattan raid but riedel focuses more closely on what has happened to it since that awful day he outlines al qaeda s ultimate goals which are to drive america out of the muslim world to destroy israel and to create a jihadist caliphate larger than the ottoman empire at its height the profiles and subsequent analysis reveal the network s multipronged strategy for accomplishing those goals draw america into bleeding wars like the one that drove the soviets from afghanistan build a safe haven for al qaeda in pakistan develop other franchises in the islamic world that can overthrow pro american regimes conduct more western attacks along the lines of 9 11 or the transit bombings in madrid and london the book concludes with a strategy for dealing with and defeating this most dangerous menace
