this book is about the intrusive fear that we may not be what we appear to be or worse that we may be only what we appear to be and nothing more it is concerned with the worry of being exposed as frauds in our profession cads in our love lives as less than virtuously motivated actors when we are being agreeable charitable or decent why do we so often mistrust the motives of our own deeds thinking them fake though the beneficiary of them gives us full credit much of this book deals with that self tormenting self consciousness it is about roles and identity discussing our engagement in the roles we play our doubts about our identities amidst this flux of roles and thus about anxieties of authenticity

this is an easy to read retelling of william shakespeare's romance pericles prince of tyre pericles wanders the world marries and has a daughter loses both his wife and daughter and regains both in a happy ending

the new cambridge shakespeare appeals to students worldwide for its up to date scholarship and emphasis on performance the series features line by line commentaries and textual notes on the plays and poems introductions are regularly refreshed with accounts of new critical stage and screen interpretations over the last two decades there has been a resurgence of theatrical interest in shakespeare's pericles which has been rescued from comparative neglect and is now frequently performed the editors reject the current orthodoxies that the text is seriously corrupt and that the play is of divided authorship they show how the 1609 quarto has features in common with the first quarto of king lear now widely regarded as being based on shakespeare's manuscript likewise they regard the arguments concerning divided authorship as unproven and misleading instead they show the play to be a unified aesthetic experience
