thousands of books and articles have been written about the murder of jfk many of
which are large in volume and short on facts quite often these works try to
reinvent the wheel attempting to cover every single area of the assassination as
well as many tangential and unessential points as well the reader is often left
exhausted and confused the sheer volume of pages conflicting facts and theories
leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22

63 this book seeks to separate the wheat from the chaff it is 55 plus years later it is time for real honest answers in an easy to read and understand format proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond based on years decades of primary source research and having read countless books on the subject
