this condensed anthology reproduces close to a dozen plays from xiaomei chen's well received original collection the columbia anthology of modern chinese drama along with her critical introduction to the historical cultural and aesthetic evolution of twentieth century chinese spoken drama comprising representative works from the republican era to postsocialist china the book encapsulates the revolutionary rethinking of chinese theater and performance that began in the late qing dynasty and vividly portrays the uncertainty and anxiety brought on by modernism socialism political conflict and war chosen works from 1919 to 1990 also highlight the formation of national and gender identities during a

period of tremendous social cultural and political change in china and the genesis of contemporary attitudes toward the west prc theater tracks the rise of communism juxtaposing ideals of chinese socialism against the sacrifices made for a new society post mao drama addresses the nation s socialist legacy its attempt to reexamine its cultural roots and postsocialist reflections on critical issues such as nation class gender and collective memories an essential portable guide for easy reference and classroom use this abridgment provides a concise yet well rounded survey of china s theatricality and representation of political life the original work not only established a canon of modern chinese drama in the west but also made it available for the first time in english in a single volume

most scholars do not consider the long term nature of caregiving but rather focus on a specific developmental period e g old age or a specific disability e g cancer yet the most important lessons about caregiving may occur at any age regardless of disabilities or other limitations caregiving is a lifelong process it begins in a mother s womb continues throughout the lifespan and ends after death caregiving across the lifespan emphasizes caregiving as a process that occurs throughout one s life it discusses infant care the developmental needs of children and adolescents the many caregiving issues in adulthood and mid life and finally end of life care and bereavement key coverage includes examining caregiving issues across a developmental perspective caregiving from infancy through early childhood through end of life mid life and multigenerational bonds and responsibilities caregiver identity in older adults family caregiving at the end of life this must have volume offers a wealth of insights and ideas for researchers practitioners and graduate students across the caregiving fields including psychology social work public health geriatrics and gerontology and medicine as well as public and education policy makers

reprint of the original first published in 1872 the publishing house anatiposi publishes historical books as reprints due to their age these books may have missing pages or inferior quality our aim is to preserve these books and make them available to the public so that they do not get lost

promoting cultural understanding in a globalized world this collection offers a new perspective on western philosophy and religion through the voices of chinese scholars it examines the evolution of economic and political structures across the united states and the european union as well as key developments in various educational systems in the united kingdom sweden the us france and germany as an interdisciplinary study situated at the intersection of sociology history culture and philosophy this book re examines pivotal structures and developments in western countries and provides readers with a succinct yet effective way of mastering a deeper understanding of western culture

this book provides key insights into how educational leaders can successfully navigate the turbulence of political debate surrounding leading student assessment and professionalised practice given the highly politicised nature of assessment it addresses leaders and aspiring leaders who are open to being challenged willing to explore controversy and capable of engaging in informed critical discourse the book presents the macro concepts that these audiences must have to guide optimal assessment policy and practice collectively the chapters highlight important assessment purposes and models

including intended and unintended effects of assessment in a globalised context the book provides opportunities to explore cultural similarities and particularities it invites readers to challenge taken for granted assumptions about ourselves and colleagues in other settings the chapters highlight the cultural clashes that may occur when cross cultural borrowing of assessment strategies policies and tools takes place however authors also encourage sophisticated critical analyses of potential lessons that may be drawn from other contexts and systems readers will encounter challenges from authors to deconstruct their assessment values beliefs and preconceptions indeed one purpose of the book is to destabilise certainties about assessment that prevail and to embrace the assessment possibilities that can emerge from cognitive dissonance
