the magical treatise of solomon or hygromanteia is the ultimate grimoire the absolute foundation of ceremonial magic the true source of the key of solomon it is arguably the most significant magical text in the world for the first time ever this extraordinary work

has been translated from the original greek into english allowing magic scholars worldwide to finally access its treasures the translator ioannis marathakis is a native born greek academic with an extensive knowledge of ceremonial magic unlike the abridged latin translation this groundbreaking work is the complete text now arranged in its proper order

this is the true ancestor of the famous grimoire the key of solomon the book includes translations of 12 different manuscripts of the hygromanteia this book is sometimes called the hygromanteia throughout history thousands of people have been fascinated by the grimoire the key of solomon this is the original greek book of magic that was the source of the key of solomon and in turn the ancestor of most of the grimoire based ceremonial magic practiced in europe and the us from the 15th century to the present day this is a ground breaking work for the first time outside of a handful of pages in academic works the full greek original of the key of solomon appears in english contrary to popular opinion the key of solomon was not translated from a hebrew original during the gradual decline and fall of the byzantine empire this precious text along with many others was taken from constantinople to italy probably around 1453 where it was translated into latin and italian abridged latin copies entitled the clavicula salomonis circulated in europe going through many changes languages and versions to become the key of solomon as we know it some of those manuscripts are published as volume iv of the present series now for the first time you can read the whole text large slabs of which were left out of the latin translations arranged clearly in the order in which it was meant to be read

a forbidden and revealing book that invites us to discover the story of solomon a remarkable biblical figure along with his censored revelations and prophecies the testament of solomon is an apocryphal work of great significance as it is not only the first treatise on demonology but also prophesies the end times and the coming of christ the testament of solomon is a fascinating book that describes how king solomon receives from god a magical ring that allows him to control demons with this ring he is able to unveil their secrets and subdue them in order to build the great temple of jerusalem the book narrates the striking dialogues between solomon and the demons and the various revelations given by them they prophesy the coming of the messiah the fall of his empire and the release of the evil he had once captured upon learning of these events solomon writes this testimony to preserve the knowledge for future generations the first treatise on demonology and angelology apocryphal books of solomon this book not only gave rise to what is known today as demonology but it also reveals hidden knowledge that was suppressed for centuries the testament of solomon is considered the first treatise on demonology and angelology as it offers a fascinating description names and other details of evil entities their ruling angels hierarchies and the mysteries of the invisible world an essential read for students of angelology demonology kabbalah magic and the occult a

book of revelations and secrets the hidden story of solomon the book stands out for the various revelations and predictions given by the demons themselves especially the coming of the messiah the one who will be born of a virgin be crucified by the jews and whose name equals 644 the book that explains the clavicula of solomon the testament of solomon is considered by many occultists and scholars as an essential text for understanding the famous key of solomon one of the most influential grimoires in esoteric tradition detailing rituals and magical procedures for invoking and subduing spiritual entities this book not only provides the mythical context behind the magical authority attributed to solomon but also reveals essential details such as the names and characteristics of the demons mentioned the book of solomon illustrated edition with commentary faithful reprint of the testament of solomon based on the original translation of ancient manuscripts by f c conybeare in 1898 it also contains all of conybeare s original notes and commentary including the greek words and phrases the author added in the footnotes for the reader s consideration many other editions do not include the full original text is the book of solomon an apocryphal text the testament of solomon is an ancient text that belongs to apocryphal literature as it is not included in the canon of most religions although solomon is mentioned in all bibles and is a central figure and example of divine wisdom this book has been hidden from much of the population because it reveals a censored story religious and esoteric scholars find in the testament of solomon a rich source of symbolism and hidden forbidden teachings that offer a different perspective from traditional narratives the book is a fascinating subject of study among theologians occultists historians and believers alike dare to discover the full story of solomon his secrets prophecies and the mysteries revealed by demons
