at a time when millions travel around the planet some by choice some driven by economic or political exile translation of the written and spoken word is of ever increasing importance this guide presents readers with an accessible and engaging introduction to the valuable position translation holds within literature and society leading translation theorist susan bassnett traces the history of translation examining the ways translation is currently utilized as a burgeoning interdisciplinary activity and extending her analysis into developing areas such as developing technologies and new media forms translation studies fourth edition displays the importance of translation across disciplines and is essential reading for students and scholars of translation literary studies globalisation studies and ancient and modern languages

in a time when millions travel around the planet some by choice some driven by economic or political exile translation of the written and spoken word is of ever increasing importance this guide presents readers with an accessible and engaging introduction to the valuable position translation holds within literature and society leading translation theorist susan bassnett traces the history of translation examining the ways translation is currently utilised as a burgeoning interdisciplinary activity and considers more recent research into developing technologies and new media forms translation displays the importance of translation across disciplines and is essential reading for students and scholars of translation literary studies globalisation studies and ancient and modern languages

this collection of essays brings together a decade of writings on translation by leading international translation studies expert susan bassnett the essays cover a range of topics and will be useful to anyone with an interest in how different cultures communicate bassnett draws upon her personal

experience to explore issues such as why the same things cannot be expressed in all languages why translators in war zones risk their lives for their work whether humour can travel across cultures why translated menus are often so bad and whether poetry does indeed get lost in translation

this book takes a linguistic approach to translation issues looking first at the structural view of language that explains the difficulty of translation and at theories of cultural non equivalence a subsequent chapter on text types readership and the translator's role completes the theoretical framework the linguistic levels of analysis are then discussed in ascending order from morpheme up to sentence while a summarising chapter considers various translation types and strategies again considered in relation to text type author and reader

translating milan kundera uses new archival research to view the wider cultural scope of the translation issue involving the controversies surrounding kundera's translated novels it focuses on the language of the novels kundera's lost works writing as translation interpretation exile censorship and the social responses to translated fiction in the anglophone world

this is a study of the relationship between translation culture and counterculture presenting a political and ideological vision of translating offering an approach to the cultural turn in translation studies at the end of the century the book endeavours to explore the closer links between cultural studies and translation it presents the arguments of several scholars on the most innovative ways of understanding translation in order to clarify the role and function of translations and translators in culture and society

the book post socialist translation practices explores how communism and socialism through their hegemonic pressure found expression in translation practice from the moment of socialist revolution to the present day based on extensive archival research in the archives of the communist party and on the interviews with translators and editors of the period the book attempts to outline the typical and defining features of the socialist translatorial behaviour by re-reading more than 200 translations of children's literature and juvenile fiction published in the socialist federal republic of yugoslavia sfry despite the variety of different forms of censorship that the translators in all socialist states were subject to the book argues that socialist translation in different cultural and linguistic environments especially where the soviet model tried to impose itself purged the translated texts of the same or similar elements in particular of the religious presence the book also traces how ideologically manipulated translations are still uncritically reprinted and widely circulated today

printbegrænsninger der kan printes 10 sider ad gangen og max 40 sider pr session

over the last two decades interest in translation around the world has increased beyond any predictions international bestseller lists now contain large numbers of translated works and writers from latin america africa india and china have joined the lists of eminent bestselling european writers and those from the global english speaking world despite this translators tend to be invisible as are the processes they follow and the strategies they employ when translating the translator as writer bridges the divide between those who study translation and those who produce translations through essays written by well known translators talking about their own work as distinctive creative literary practice the book emphasises this creativity arguing that translators are effectively writers or rewriters who produce works that can be read and enjoyed by an entirely new audience the aim of the book is to give a proper prominence to the role of translators and in so doing to move attention back to the act of translating away from more abstract speculation about what translation might involve

this revised second edition productively updates each of the approaches incorporating the latest research and adds a new conclusion addressing the future of translation studies offering new

insights into the nature of translation language and cross cultural communication the book will interest students and specialists in translation linguistics literary theory philosophy of language and cultural studies book jacket

this book companion to the much acclaimed dalit literatures in india examines questions of aesthetics and literary representation in a wide range of dalit literary texts it looks at how dalit literature born from the struggle against social and political injustice invokes the rich and complex legacy of oral folk and performative traditions of marginalised voices the essays and interviews systematically explore a range of literary forms from autobiographies memoirs and other testimonial narratives to poems novels or short stories foregrounding the diversity of dalit creation showcasing the interplay between the aesthetic and political for a genre of writing that has change as its goal the volume aims to make dalit writing more accessible to a wider public for the dalit voices to be heard and understood the volume also shows how the genre has revolutionised the concept of what literature is supposed to mean and define effervescent first person accounts socially militant activism and sharp critiques of a little explored literary terrain make this essential reading for scholars and researchers of social exclusion and discrimination studies literature especially comparative literature translation studies politics human rights and culture studies

this outstanding collection brings together eminent contributors from britain the us brazil india and canada to examine crucial interconnections between postcolonial theory and translation studies examining the relationships between language and power across cultural boundaries this collection reveals the vital role of translation in redefining the meanings of culture and ethnic identity the essay topics include links between centre and margins in intellectual transfer shifts in translation practice from colonial to post colonial societies translation and power relations in indian languages brazilian cannibalistic theories in literary transfer

the most important and productive statements on the translation of literature from roman times to the 1920s are collected in this book arranged thematically around the main topics which recur over the centuries power poetics universe of discourse language education it contains texts previously unavailable in english and translated here for the first time from classical medieval and renaissance latin from french and from german as the first survey of its kind in both scope and selection it argues that translation commands a central position in the shaping of european literatures and cultures translation history culture creates a framework for further study of the history of translation in the west by tracing european historical thought about translation and discussing the topicality of many of the texts included

translation and world literature offers a variety of international perspectives on the complex role of translation in the dissemination of literatures around the world eleven chapters written by multilingual scholars explore issues and themes as diverse as the geopolitics of translation cosmopolitanism changing media environments and transdisciplinarity this book locates translation firmly within current debates about the transcultural movements of texts and challenges the hegemony of english in world literature translation and world literature is an indispensable resource for students and scholars working in the fields of translation studies comparative literature and world literature
