chore or church maintenance or the myriad other duties needed to keep a church going the result was that the church stayed the same size some leave others enter but no growth was apparent despite the considerable preaching talents of the pastor god is apparently making sure he has only the amount of people that he can handle we learn that the ancient church had some of the same challenges we face today acts 6 14 says now in those days when the number of the disciples was multiplying there arose a complaint against the hebrews by the hellenists because their widows were neglected in the daily distribution then the twelve summoned the multitude of the disciples and said it is not desirable that we should leave the word of god and serve tables read this as doing manual labor therefore brethren seek out from among you seven men of good reputation full of the holy spirit and wisdom whom we may appoint over this business the manual labor but we will give ourselves continually to prayer and to the ministry of the word it was even bringing strife to the local body what did they do and what was the result the first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the holy spirit and appointed them to do practical ministerial duties the manual labor this freed up the apostles so they could minister the word of god wow gods way is so simple and our grandiose plans just waste time and get nothing done pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes gods church this manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them
