this world is not made from atoms it is built with stories phil writes that detection of an individual s fundamental purpose or story is the only valid aim we should have in mind when dealing with personal development

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

we are living in a complex some would say difficult times part of the difficulty of these times is that humans don t surrender to clarity and vision this is because this requires that we release control we understand control as our only way to survive when we feel fear we hold tight to what we have or where we are in an attempt to diminish our anxiety but this road doesn t take us very far we know that change is necessary in every cycle in our lives both big and small but our tendency is to act chaotically when we feel lack of control this translates into feelings of anxiety lethargy depression fear frustration anger and even though these are natural e motions energy in motion they do require to be channelled or re directed in order for us to create positive outcomes tales of a modern alchemist is a book born from the isolation of the covid 19 virus lock down with these real and magical life stories i show the way that we can transmute all these fears into real life positive actions in order to help us expand our view of the world and liberate our own made prisons once and for all note from the author this book contains a complete library of inspirational posts taken from the book please feel free to use them as your daily inspirational messages to keep you focused as a modern alchemist
