if you were to find yourself at the edge of a dying world with a lingering sense of reality would you simply fade into the nothingness or would you fight for everything you hold dear this assertive question is at the heart of the thought provoking book ubiety for this abstract book was designed to help people emerge into reality and find the truth whilst questioning both what could and should be join adam in a whirlwind of past and present madness diving into the many mysteries which will uncover bittersweet secrets to see if he can save his fate and somehow put the chaos set in his mind at rest however be aware this will certainly not be an easy read but remember that some of the greatest fortunes lie on the darkest paths

nominated for the 2023 edgar allan poe award for best critical biography the first specifically academic companion to contemporary scholarship on the work of agatha christie this book includes chapters by an international group of scholars writing on topics and fields of study as various as ecocriticism and the anthropocene popular modernism middlebrow fiction queer theory feminism crime and the state and more it addresses a broad selection of christie s crime novels as well as her short stories literary novels written pseudonymously and her own and others dramatic adaptations for television film and the stage featuring unprecedented access to images and content held in christie s personal archive as well as a foreword from renowned crime fiction writer val mcdermid this is essential reading for anyone interested in christie s work and legacy

are you tired of running on the digital hamster wheel there are two ways to make a living online the first is the path of the digital seller you spend your days chasing

the next sale putting out fires and trading your precious time for money your income stops the moment you stop running it s a relentless grind that leads to burnout then there is the path of the digital wealth engineer this path isn t about hustling harder it s about building smarter it s about spending your time creating automated long term digital assets that work for you 24 7 generating income and freedom even while you sleep for years countless talented individuals have been trapped on the first path convinced it s the only way this book is the map to the second the digital wealth engineer is not just another book about making money online it is a 400 page strategic blueprint designed to fundamentally shift your mindset from a seller to a builder from a freelancer to an asset owner inside this comprehensive story driven guide you will discover the engineer s mindset overcome the imposter syndrome and fear of failure that paralyze 90 of aspiring entrepreneurs before they even start precision niching uncover your golden intersection of passion knowledge and market demand making your competition irrelevant from day one the silent sales machine learn the art of building content that doesn t just inform but systematically builds trust and guides visitors to become loyal customers without ever feeling salesy the profit engine blueprint a step by step workshop for creating your first irresistible digital product and a brand aligned e commerce store with zero inventory risk the turbocharger framework master the engineer s approach to paid advertising a low risk high return system to scale what s already working not gamble on what might the liberation stage the ultimate guide to automating and delegating cloning your systems not yourself to finally buy back your time and achieve true freedom this book is not for those looking for a get rich quick scheme it is for the builders the strategic thinkers and for anyone who believes that intelligent deliberate work can create a life of genuine autonomy stop trading your life away for a paycheck it s time to start building your empire

the problem of human evil is never far beneath the surface of mystery fiction this was particularly true in the wake of the horrific events of world war ii one figure who set out to investigate this crisis was ellery queen this book provides a much needed intervention in the study of detective fiction by giving sustained attention to ellery queen as well as suggesting possible directions for broader discussions of the genre after the war queen mounted an inquiry into the state of masculinity and of the world in the wake of unimaginable horrors represented by the death camps and the atomic bomb during his investigation ellery rummaged through the ruins of culture invoking and evoking figures such as walt whitman henry david thoreau and naturally edgar allan poe ultimately this quest brought him up against an unexpected foe god himself this book examines the ways queen pushes against the boundaries of what was and in some circles still is considered possible or desirable in the genre

this volume brings together a selection of the papers and round tables delivered at the 39th aedean conference held at the university of deusto in november 2015 the essays in on the move glancing backwards to build a future in english studies often begin with typically academic gestures such as retrieving a classic text and finding new ways of studying its genre or characterization or remarking how certain ungrammatical constructions have gone frequently unnoticed even in well known texts for various reasons or entangling oneself in contentions about the adequacy of dissecting a literary text or linguistic problem by using innovative analytical tools in all cases though there is the intention of putting forth certain views and notions that will help future scholars to deal in a better light with the dilemmas regularly encountered in literary linguistic and cultural studies the book opens with three essays by professors bartholomae pullum and río who demonstrate not only their mastery in their respective subjects but also their ability to tailor their contents to multifarious audiences the next two sections represent the main body of the e book with nearly forty contributions on both literature and cultural studies part ii and language and linguistics part iii these short

academic pieces are a representative showcase of the research being done lately in the different areas of expertise the last section of the volume gathers together the results of four research projects dealing with such engaging topics as postcolonial crime fiction or forgotten texts by anglo writers about the spanish civil war it is hard to think of any potential reader schooled in english studies who will not find something suitable to their interests and tastes in this volume
