the bold careers of henry james d h lawrence james joyce and samuel beckett writers with profoundly unsettled cultural identities spark margery sabin's investigation of values carried through inherited forms of speech the dialect of the tribe offers fresh readings of such great novels as the golden bowl women in love ulysses and the beckett trilogy which illustrate how complex attitudes toward the speech

forms of language inform the most varied social psychological and aesthetic structures in modern fiction sabin explores the powerful tension in these writers between appreciation for the resources of common speech in english and contrary longings for a freedom associated with abstraction system and foreign or private language her own critical procedures transcend restrictive and reductive polarizations as she lucidly analyzes the biases of both the anglo american critical tradition and the challenge to that tradition in french literary theory and practice written in a jargon free accessible style the dialect of the tribe argues that the ambiguous cultural positions of the great modern novelists in english emerge as a major source of their strength the rich traditions of the english language give enlivening power to writers also remarkable for their drive toward radical independence and skepticism

without the support of american women victory in the revolutionary war would not have been possible they followed the continental army handling a range of jobs that were usually performed by men on the orders of general washington some were hired as nurses for 2 per month and one full ration per day disease was rampant and nurse mortality was high a few served with artillery units or masqueraded as men to fight in the ranks the author focuses on the many key roles women filled in the struggle for independence from farming to making saltpeter to spying

in most accounts literature of the nineteenth century compulsively tells the story of the individual and interiority but amidst the newly dense social landscapes of modernity with london as the first city of one million inhabitants this literature also sought to represent those unknown and unmet strangers focusing on the ways that both victorian literature and modern social thought responded to an emergent society of strangers the comfort of strangers argues for a new relation between literary form and the socially dense environments of modernity insisting upon strangers in these works not as alienating fearsome others but a relatively banal yet transformative fact of everyday life the dark matter of the nineteenth century social universe taking up the literature of social density gage mcweeny engages with a range of generically diverse works from the age of victorian sympathy to illuminate surprising investments in ephemeral relations anonymity and social distance life amidst strangers on urban streets and markets produced new social experiences both alluring and fearsome and mcweeny shows how realist literary form is remade by the relational possibilities offered by the impersonal intimacy of life among those unknown and the power of weak social ties reading works by charles dickens matthew arnold george eliot oscar wilde and henry james he discovers a species of victorian sociality not imagined under j s mill s description in on liberty of society as a crowd impinging upon the individual instead mcweeny mines nineteenth century literature s sociological imagination to reveal a set of works diverted by and into intensities located in strangers and the modern forms of sociality they emblemize treating seriously the preference for the many over the few the impersonal intimacy of strangers over those who are friends and acquaintances the comfort of strangers shows how literature and sociology together produced modern understandings of the social opening up canonical works of the nineteenth century to a host of strange new meanings
