get a new perspective from the other half of macroeconomics the failure of the vast majority of economists in government academia and the private sector to predict either the post 2008 great recession or the degree of its severity has raised serious credibility issues for the profession the repeated failures of central banks and other policymakers in all advanced countries to meet their inflation or growth targets in spite of astronomical monetary easing have left the public rightfully suspicious of the establishment and its economists the other half of macroeconomics and the fate of globalization elucidates what was missing in economics all along and what changes are needed to make the profession relevant to the economic challenges of today once the other half of macroeconomics is understood both as a post bubble phenomenon and as a phase of post industrial economies it should be possible for policy makers to devise appropriate measures to overcome difficulties advanced countries are facing today such as stagnation and income inequality shows how it s possible to devise appropriate policy response to slow wage and productivity growth in these economies demonstrates that the effectiveness of monetary and fiscal policy changes as an economy undergoes different stages of development argues that tax rules regulations and even educational system must be revised to match the need of pursued by emerging nations countries explains the 200 year process of economic development and where that process is taking all of us inside richard c koo offers a completely new way of looking at the economic predicament of advanced countries today

what good can the past do the living what harm growing up in their family s ancestral home in wales

jonathan anthony and his little sister theo are inseparable together they explore the wild acres of evendon inventing magical worlds and buttressing each other against the loneliness of life with their alcoholic mother alicia and a shifting cast of gossiping cooks and maids when a family tragedy brings their glamorous grandmother eve home from america jonathan and theo are initially elated by the attention she lavishes on them but soon it becomes clear that there is more to the anthony family history than either eve or alicia will acknowledge trapping jonathan and theo in a web of dark secrets that have haunted evendon for generations written in luminous prose with richly endearing characters and a profound appreciation for the rustic beauty of the welsh countryside the other half of me is a darkly wise coming of age novel and a masterful portrait of a family and the burdens of the past
