chris crutcher is a literary icon in the field of young adult literature with his first book running loose published in 1983 crutcher established a reputation for giving young adults a voice in realistic fiction since then crutcher has written a number of books with spot on depictions of young adults growing through hard times including ironman whale talk staying fat for sarah byrnes and stotan in chris crutcher a stotan for young adults bryan gillis and pam b cole examine the life career and works of this young adult advocate

this volume opens with a never before published comprehensive portrait of the author's life gleaned from numerous conversations with Crutcher. The authors explore Crutcher's childhood, his adolescent years, his life as an adult, and his career as a family counselor, and examine how those experiences became fodder for his stories. The authors also discuss Crutcher's encounters with censorship and his philosophical stance. Gillis and Cole also analyze Crutcher's novels, short stories, and novellas, examining his literary craft and such social themes as bigotry, identity, sexuality, relationships, and loss. Themes almost always positioned within a sports story, the most comprehensive study of Crutcher's life and work to date, this book benefits tremendously from the cooperation of Crutcher himself, generally reserved about private matters. Crutcher talks candidly about his life and how his experiences helped shape his character and his stories. His cooperative spirit gives voice to a book that will appeal not only to teachers and librarians but to students who have been enthralled by the works of this generous writer.

This handbook maps the expanding field of gender and EU politics, giving an overview of the fundamentals and new directions of the sub-discipline and serving as a reference book for gender scholars and students at different levels interested in the EU. In investigating the gendered nature of European integration and gender relations in the EU as a political system, it summarizes and assesses the research on gender and the EU to this point in time, identifies existing research gaps in gender and EU studies, and addresses directions for future research. Distinguished contributors from the US, the UK, and continental Europe and from across disciplines from political science, sociology, economics, and law expertly inform about gender approaches and summarize the state of the art in gender and EU studies. The *Routledge Handbook of Gender and EU Politics* provides an essential and authoritative source of information for students, scholars, and researchers in EU studies, politics, gender studies, politics, political theory, comparative politics, international relations, political and gender sociology, political economy, European and legal studies, law.

into the green provides rich detail for four different types of green environments, describing the ecology, terrain, hazards, and resources of each.

*Applying Cultural Anthropology: An Introductory Reader* is a collection of articles that provide compelling examples of applied research in cultural anthropology. In this age of globalization and increased cultural intolerance, the basic messages of public anthropology are more important than ever. The eighth edition offers 8 new readings and a new chart at the beginning of the text to help instructors and students locate key themes and topics.
