the noted historian s decisive and devastating history of the wwi battle of gallipoli sets a new standard for assessing the allied dardanelles campaign mustafa aksakal american historical review the gallipoli campaign of 1915 16 was an ill fated allied attempt to take control of the dardanelles secure a sea route to russia and create a balkan alliance against the central powers a failure in all respects the operation ended in disaster and the allied forces suffered some 390 000 casualties in this conclusive study military historian robin prior assesses the many myths about gallipoli and provides definitive answers to questions that have lingered about the operation prior proceeds step by step through the campaign dealing with naval military and political matters and surveying the operations of all the armies involved british anzac french indian and turkish relying on primary documents including war diaries and technical military sources prior evaluates the strategy the commanders and the performance of soldiers on the ground his conclusions are powerful and unsettling the naval campaign was not almost won and the land action was not bedeviled by minor misfortunes instead the badly conceived gallipoli campaign was doomed from the start and even had it been successful the operation would not have shortened the war by a single day despite their bravery the allied troops who fell at gallipoli died in vain a wall street journal best book of 2009

includes gallipoli campaign map and illustrations pack 71 photos and 31 maps of the campaign spanning the entire period of hostilities a

moving and wittily written account of an officer of the 5th royal inniskilling fusiliers of the 10 irish division during their heroic but futile campaign on the gallipoli peninsula he landed with his men of d company into the storm of shot shell and death at suvla bay and fought hard against the elements and the turks he was wounded in august 1915 and evacuated to lemnos and thence back to england where he wrote his recollections during his convalescence as acclaimed expert cyril falls wrote of juvenis book is far ahead of the majority of disjointed accounts of warfare which appeared in those in those early days and has literary merit

in this fascinating account leading australian military historians tackle 10 of the most enduring historical zombies or national myths that have staggered their way through the halls of military history for more than 200 years from aboriginal resistance and invasion to australia s recent involvement in east timor this record disproves the incorrectly memorialized and so called gallant deeds of past australian servicemen provocative and opinionated this record attempts to correct the historical record

why was the allied naval assault of february march 1915 so unsuccessful did the ottoman turks have knowledge of the allied landings of 25 april 1915 and did sir ian hamilton the overall commander of the allied forces at gallipoli really make a mistake in his intervention at suvla these questions and the key issue of why the ottoman turks won the 1915 gallipoli campaign or why the allies lost it have never been satisfactorily answered this new history of the gallipoli campaign aims to answer them while also telling the story of what actually happened through the voices of british australian and turkish soldiers in order to properly understand the bloody events of 1915 tim travers is the first historian of gallipoli to use the general staff ottoman archives in ankara to tell the other side of the story wide ranging research in the turkish

archives as well as those in australia britain france and new zealand plus a significant newly discovered german source has produced a startling new interpretation of the 1915 conflict moving from a study of the western front tim travers has produced a challenging analysis of the enduring mysteries of the gallipoli campaign

the die hards is the nickname of the middlesex regiment earned at the battle of albuera in the peninsular war in may 1811 the regiment was one of five that had four regular battalions before the outbreak of war it also had two special reserve battalions 5th and 6th and four territorial battalions 7th to 10th during the course of the war another thirty nine battalions were formed making the regiment the second largest along with the king s liverpool though not all battalions survived to the end of the war twenty four of them went abroad serving on the western front gallipoli italy macedonia mesopotamia india egypt palestine gibraltar and siberia losses amounted to 12 720 81 battle honours and 5 vcs were awarded the middlesex were in it right from the start the first soldier of the bef to be killed was 1 cpl parr 4th middlesex on 21 august 1914 and the first officer to be killed was from the same battalion major w h abell at mons on 23 august this is not a history that deals with each battalion independently there are too many of them the narrative describes the fortunes of the twenty four active service battalions with very good maps in the various theatres of war though mainly on the western front and on every page there is in the margin the date of the action or event being described and the battalion or battalions involved the first volume covers 1914 to the end of 1916 and the second takes up the story from the beginning of 1917 to the armistice including a chapter on operations in siberia and murmansk involving the 25th battalion which didn t get home till september 1919 speaking of his battalion 25th the co said one and all behaved like englishmen the highest eulogy that can be passed upon the conduct of men sentiments like that expressed today would almost

get you clapped in irons there is no roll of honour nor list of honours and awards there is a very useful appendix listing all the active service battalions with the brigades and divisions to which they were allocated with any subsequent changes and the theatres in which they served

gallipoli the mere name summons the story of this well known campaign of the first world war and the story of gallipoli where in august 1915 the allied forces made their last valiant effort against the turks is one of infamous might have been if only the allies had held out a little longer pushed a little harder had better luck gallipoli might have been the decisive triumph that knocked the ottoman empire out of the first world war but the story is just that author rhys crawley tells us a story not only was the outcome at gallipoli not close but the operation was flawed from the start and an inevitable failure a painstaking effort to set the historical record straight climax at gallipoli examines the

performance of the allies mediterranean expeditionary force from the beginning of the gallipoli campaign to the bitter end crawley reminds us that in 1915 the second year of the war the allies were still trying to adapt to a new form of warfare with static defense replacing the maneuver and offensive strategies of earlier british doctrine in the attempt both the maf at gallipoli and the british expeditionary force on the western front aimed for too much and both failed to explain why crawley focuses on the operational level of war in the campaign scrutinizing planning command mobility fire support interservice cooperation and logistics his work draws on unprecedented research into the files of military organizations across the united kingdom and australia the result is a view of the gallipoli campaign unique in its detail and scope as well as in its conclusions a book that looks past myth and distortion to the facts and the truth of what happened at this critical juncture in twentieth century history

the landing at suvla bay part of the august offensive commenced on the night of 6 august 1915 this book adds to the gallipoli story by recounting the suvla bay landing through a mix of official accounts intertwined with a rich collection of the participants letters diaries personal accounts photographs and maps

the story of the dubliners who served in the british military and in republican forces during the first world war and the irish revolution
