this book is different from most other books of the same genre it simply takes another approach at expounding upon these great biblical themes the author has taken the letters of each theme and has built a chapter or chapters upon each letter the author simply believes that there is something else to be said than what has been said so far about the christian faith the faith which was once delivered unto the saints may god

bless each reader who reads these few pages dr jones was born in the small southeastern kentucky community of girdler he is the youngest of fourteen children seven boys and seven girls he and his wife carolyn now reside in hamilton oh dr jones has earned a masters degree in theology and a doctorate in religion having held five pastorates in over thirty years of ministry this present work is his fourth book

written in the same style and spirit as the classic best seller the faith explained by leo trese the faith explained today by joe babendreier offers an explanation of the faith that is easily accessible to modern readers especially students and young adults this christian faith book is in six parts and covers the full spectrum of church teaching over the last 2 000 years these parts include what christians believe how god reveals morality the way christians worship the human person prayer complete with review questions at the end of each chapter and frequent use of writings from sacred scripture the saints spiritual writers and the magisterium this book the faith explained today will help you understand what god revealed through jesus christ as the church has believed it preserved it and treasured it from the beginning

the greatest challenge for the twenty first century church is the lack of catechesis training in biblical and doctrinal knowledge as j i packer states where wise catechesis has flourished the church has flourished and where it has been neglected the church has floundered it is increasingly apparent that we are raising up generations of christians who often have little idea what they should believe and why they should believe it grounded in the faith takes up that challenge with twenty four low prep in depth sessions that will ground believers in the basics of their faith this new innovative guide is a transformational disciple making tool that leaders can immediately use to activate discipleship in the church it presents individuals small groups and sunday school classes with a cohesive understanding of historic sound biblical theology that serves as a catalyst for deeper intimacy with christ it is a user friendly guide to growth in the christian faith that covers important topics such as justification overcoming temptation sanctification evidence for the inspiration of the bible the value of prayer the guidance of god the trinity the uniqueness of christ and the attributes of god

rightly understood and rightly communicated the christian faith is one of great joy it is an invitation to god s kingdom where tears are replaced by laughter and longing hearts find their purpose and their home this is the heart of the gospel god s search to reclaim us and love us as his own but have we truly grasped this those of us who have disdained christianity as a religion of bigotry have we repudiated the genuine article or merely demonstrated our own prejudice and ignorance those of us who are christians have we deeply apprehended the mission of jesus and do our ways and character faithfully reflect his beauty from the nature of god to the human condition to the work of jesus to god s coming kingdom and all that lies between how well do we understand the foundational truths of christianity and their implications the faith is a book for our troubled times and for decades to come for christians and non christians alike it is the most important book

chuck colson and harold fickett have ever written a thought provoking soul searching and powerful manifesto of the great historical central truths of christianity that have sustained believers through the centuries brought to immediacy with vivid true stories here is what christianity is really about and why it is a religion of hope redemption and beauty

essay from the year 2013 in the subject theology biblical theology course biblical catechesis language english abstract christianity is not merely a set of religious principles it is a covenant in the same lines of the covenant of the people of israel for whom the decalogue the principles of their life was a testament in a similar fashion for a christian the holy bible is the testament of one s covenant with christ and the abba whom he revealed in the holy spirit rightly are its two parts called the old and the new testaments bible is the foundation of the faith experience of an individual who professes to be a christian and it is in itself the faith expression of generations of people whose faith the individual makes one s own however the place of this testament today within the faith expression of an individual or the community has undergone a long process of evolution in history within the christian community of the original times it was merely used by the elders or the priests during worship later it was used by those persons who sought to teach and guide the communities and individuals to instruct them from the examples and the teachings of the people who were originally instruments of the faith experience recorded in the scriptures further later it was considered a privilege to hold the scriptures and read or proclaim from it there was a moment in history in which the community of faith felt the need to assert that the scriptures originated from the community which was trying to record the foundational experiences for the community so that the community of faithful could find their ground in those experiences and that the scriptures should go back to the hands of the community and not remain merely in the hands of a select few this feeling and conviction gave rise to a movement in history towards making the bible the most important factor within the ambit of making sense of one s faith and its expressions in life and worship

the securing of the spiritual comforts of believers in this life is a matter of the highest importance unto the glory of god and their own advantage by the gospel writes the great puritan john owen for god is abundantly willing that all the heirs of promise should receive strong consolation and he has provided ways and means for the communication of it to them and their participation of it is their principal interest in this world and is so esteemed by them but their effectual refreshing enjoyment of these comforts is variously opposed by the power of the remainders of sin in conjunction with other temptations hence notwithstanding their right and title unto them by the gospel they are oftentimes actually destitute of a gracious sense of them and consequently of that relief which they are suited to afford in all their duties trials and afflictions now the root whereon all real comforts do grow whence they spring and arise is true and saving faith the faith of god s elect wherefore they do ordinarily answer unto and hold proportion with the evidences which any have of that faith in themselves at least they cannot be maintained without such evidences wherefore that we may be a little useful unto the establishment or

recovery of that consolation which god is so abundantly willing that all the heirs of promise should enjoy i shall inquire what are the principal acts and operations of faith whereby it will evidence its truth and sincerity in the midst of all temptations and storms that may befall believers in this world and i shall insist on such alone as will bear the severest scrutiny by scripture and experience this puritan classic includes the following chapters introduction i how does saving faith approve of this way on what accounts and unto what ends ii the second evidence of the faith of god s elect iii the third evidence of the faith of god s elect iv the fourth evidence of the faith of god s elect

a layperson s guide to systematic theology knowing the basics about god his word salvation discipleship and the scriptures that support them

the faith explained by leo trese is an all in one handbook to help you understand explain and defend the great truths of the catholic faith in brief and readable chapters it explains the purpose of human existence god and his perfections the creation and fall of man the incarnation the redemption the sacraments sacramentals prayer the importance of the bible and much more perfect for rcia classes this book is also a magnificent refresher course on the faith for catholics and an illuminating resource for non catholics with questions about the church
