greetings i m vywamus i m a soul psychologist in this series of lectures we will explore the meaning of soul psychology and how it relates to modern psychology more importantly we will show how soul psychology as a practice is becoming more popular and is an especially

useful technique for starseeds and others who are awakening to the fact that there is reincarnation and that there are soul lessons that must be learned the basic essence of soul psychology rests with the idea that the soul is evolving and that part of this evolution is occurring through incarnations in the third dimension now to even speak about the soul evolving is perhaps a controversial subject because we know that the soul is eternal we know that the soul has been in existence for infinity and we know that the soul is perfect so why would the soul have to evolve the answer to this question is complex and we may not be able to totally answer it using third dimensional terminology but it is an important question to answer because the nature of soul evolution is inherently connected to your experiences in the third dimension the soul in completing its evolutionary journey needs these experiences in the third dimension and it needs to complete the lessons here through david k miller chapters include soul evolution the nature of the soul enlightenment soul psychology and planetary healing soul group psychology restoring the self uncovering the mystery of the mental body negative self talk altered states of consciousness cosmic karma
