the aim of this book is to analyse why and how states respond to human security both at home and abroad although states still define security as the defense of territory from military attack increasingly security pertains to the protection of human beings from violence this violence can emerge from rebels drug traffickers terrorism and even environmental and demographic changes while previous literature in this field has provided rich empirical detail about human security crises it is generally quiet about how states respond to these crises state responses to human security fills this lacuna by bringing in concepts from international security studies and focusing on states perceptions of power and the changing nature of human security instead of debating whether or not human security exists the authors in this volume agree that human security has been redefined to include policies associated with violence toward individuals and groups and draw on recent events in the middle east china and mexico to understand how and when human security issues prompt state responses and affect international relations the case studies analysed in this book suggest that states respond to human security threats differently but in both the domestic context and abroad power and perceptions matter greatly in shaping states reactions to human security concerns this book will be of much interest to students of human security foreign policy international relations and security studies in general

robert hunter s egypt under the khedives brought back into print in this paperback edition was a pioneering work when first published in the 1980s as western scholars began to comb egypt s national archives for an understanding of the social and economic history of the country it is now recognized as one of the fundamental books on nineteenth century egypt it is so archivally based and empirically solid that it forms the starting point for all research hunter used land and pension records in dar al mahfuzat in addition to published archival collections like those of amin sami pasha to enlarge our understanding of the social dimensions of the politics of the period a secondary and very important contribution of the work is its explanation of the way in which collaborating bureaucrat landowners aided in the country s subordination to european political and economic dominance in the reign of ismail the big chapter on the unraveling of khedivial absolutism is a splendid piece of storytelling as it explores the wild fluctuations in egypt s finances ismail s desperate gambits to ward off european administrative scrutiny and the defection of key
